Dear Parents,

Greetings from Ryan International School, Dombivli!

We welcome you to the Academic Year 2023-24.

Our Vision is

“To nurture future-ready global citizens who positively and responsibly impact the world”

Our Mission is

To be the leading K12 institution

WHICH

encourages learners to realize their **true potential** to become **critical thinkers** and **compassionate leaders**

THROUGH

- **inspiring educators**
- **a safe and enabling environment**
- **an innovative learner-centered pedagogy**

We wish to make the academic year interesting and a fulfilling one for our learners and parents. The school aims to produce global citizens by providing exposure to global standards of learning besides maintaining the local essence so that all stakeholders are aligned to the same goals and standards set by the school, and by living up to them consciously. The school provides a holistic learning experience to the students by engaging them in **core academics**, various **supplementary programmes** to provide focused learning experience, **value add programmes** to elevate in school learning to higher levels and **21st century skills** to prepare them to face the challenges and rise up to suit the global standards.

We believe in inculcating human values such as, kindness, empathy, tolerance, accommodation, patience, perseverance, and hard work in our learners. All the important stakeholders in school model this. While the most critical skills, co-operation, collaboration, communication and critical thinking: the teaching- learning process effortlessly, caters to all of these. **Health, Safety and Child Protection** is an integral part of the school system.

The school is also equipped to overcome challenges that come our way. A dedicated team of academic staff and support staff are trained every year and the team works tirelessly to ensure effective implementation of all programmes every academic year.

The Management and Staff will look forward to the support by the parent fraternity in all our endeavours. We will establish and maintain a strong parent-school connect by sharing information through circulars, newsletters, Parent App, mails, calls and diary notes. We will keep this connect strong by sharing all the proceedings at school. We will use the Parent App to communicate with you and share information and updates.

Assessments are an integral part of every teaching- learning process. So, please prepare your wards for tests and exams conducted periodically and track his/ her performance. For monitoring the same, we would urge you to attend parent-teacher meetings at school and support us by considering the feedback seriously and working on it. Collectively, we can contribute and influence the development of the child at school.

The school will commence with effect from **03.04.2023**.

While wishing the children all the best for the year ahead, I welcome you to Ryan International School family and look forward to working with each one of you! Let us work together to make the best things happen for our children!

I sincerely wish that the time spent in school will be a positive experience for your children and prepares them to face the challenges they encounter in the course of their lives and handle them well.

Thank You,

Best Regards,
