

## Ryan International School EHS Policy

We develop and implement a Health and Safety Policy that is aligned with ADEK's regulations and requirements. We also ensure the Health and Safety Policy is available on our school website in both Arabic and English or their language of instruction. This policy shall set out the following:

- The responsibility of the Principal and the governing board for the health and safety of school operations and any school-related activities.
- The roles and responsibilities of all members of the school community, including students, staff, health and safety officers, contractors, subcontractors, relevant stakeholders, and visitors, in relation to health and safety.
- The procedures for ensuring the health and safety of school and extracurricular activities, including those that take place off-campus.
- The resources and processes in place to ensure a healthy, safe, and secure school environment including promoting a culture of responsibility and accountability.
- The provisions for educating students and training staff on health and safety.
- The procedures for preventing injury and ill health.
- The provision for risk assessments, maintenance of the risk register, implementation of control measures, and monitoring and review of systems.

This policy applies to all school employees, students, contractors and visitors and is readily accessible to all interested stakeholders.
