

From the Principal's Desk

A Tribute to our Teachers and a Triumph for our School

September is a month that holds a special place in our hearts, as we dedicate it to the incredible teachers who are the true pillars of our school. They are the heart and soul of our institution, tirelessly working to lay a strong foundation in every child's life. Their dedication, passion, and commitment shape not only academic futures but also the character and values of our students. We are profoundly grateful for their hard work and the countless hours they pour into nurturing the minds and spirits of the next generation. This month, we also celebrated a monumental achievement as we proudly hosted the 4th edition of the Tirangaa competition. The event brought together 10 schools and more than 200 participants in a vibrant display of talent and sportsmanship. Our students showcased exceptional team spirit, dedicating countless hours to preparation and practice. Their sheer hard work and dedication paid off spectacularly, as our school was honored with the overall champion trophy. The success we've seen this month, both in our academics and our extracurricular pursuits, fills me with immense pride. It is a powerful reminder of what we can achieve when we work together as a community, driven by a shared vision of excellence.

Quote of the month

*“Integrity is doing
the right thing, even when
no one is watching.”*

Erich Fromm

The above quote means true integrity is about being honest and doing the right thing not for praise or recognition, but because it is the right thing to do- even when no else is there to see it.

ACTIVITIES

Founder's Day

Ryan International School, Dombivli, celebrated Founder's Day with great enthusiasm and purpose. Our students engaged in meaningful activities that nurtured their young minds and enhanced a sense of social responsibility. As part of the celebrations, our students donated books to promote education and support underprivileged children. They also participated in a plantation drive. The students showed their creativity by making cards and enacting role-plays that expressed their thoughts and appreciation for our Chairman, Dr. A. F. Pinto. These activities not only honored our founder's legacy but also instilled valuable life skills and values in our students.

Teacher's Day

Teacher's Day is a special occasion dedicated to honoring and appreciating the efforts of teachers who guide and inspire young learners. To celebrate this day, the Pre-Primary students made beautiful cards and hand made flowers filled with colors, creativity, and heartfelt messages. This activity helped the children express their gratitude, recognize the hard work of their teachers, and understand the importance of showing respect and love. It was a joyful celebration that made the teachers feel valued and cherished.

Health Check-Up Camp

A medical camp facility was recently arranged for students, focusing on their overall health and wellness. Expert doctors examined each child thoroughly and prepared detailed reports and "At Ryan Dombivli, we emphasize the importance of our students' well being.

ACTIVITIES

National Nutrition Week

National Nutrition Week was celebrated with a fun and engaging activity where students dressed up as their favorite fruits and vegetables using creative costumes, caps, and paper cut-outs. Each child confidently introduced themselves with lines like:

“Hello, I’m Mr. Carrot! I’m rich in Vitamin A, which is great for your eyes!”

Shape Day - Square

Children celebrated Shape Day with lots of excitement and creativity. The theme for the day was square.

Mont I: Made beautiful gift box using square cutouts.

Mont II: Designed colourful quilts with paper square.

Mont III: Explored patterns and drawings using the square shape.

The activities helped children recognize the square in fun way while boosting their creativity and fine motor skills.

Orange Day

Mont I

Orange Day was celebrated with joy and excitement. Children came dressed in vibrant orange outfits and brought orange-colored food items and toys. They enjoyed a creative activity of coloring oranges using earbuds, which made the day both fun and engaging. The celebration helped them recognize the color orange in a playful and memorable way.

ACTIVITIES

Mont II

Children came dressed in bright orange attire, carrying orange-colored toys to mark the occasion. They enthusiastically took part in a paper tearing and pasting activity, where they filled the outline of an orange with small pieces of paper. The activity not only made learning fun but also enhanced their creativity and fine motor skills.

Mont III

Students celebrated Orange Day with great excitement. They drew a picture of a hen and coloured it beautifully in orange shades. The children enjoyed using crayons and filled their drawings with bright colours. They proudly showed their colourful hens to their friends and teachers. The activity helped them learn about the colour orange in a fun way. It was a joyful and creative experience for all the students.

Subject Enrichment Activity

Maths - Mont I

A hands on beads counting activity was conducted where the children placed colourful beads on vertical rods. This helped them practice number recognition, counting skills, and fine motor coordination. The activity also encouraged them to focus, concentrate and collaborative learning in an enjoyable way.

EVS - Mont II

Children enacted using puppets to learn about community helpers.

They understood the importance of people who help us in daily life.

Maths - Comparison - Mont III 'A' & 'C'

The kindergarten students learned about comparing numbers through a fun activity using alligator cutouts. They understood

ACTIVITIES

that the alligator always eats a bigger number. Children compared different numbers and placed the cutouts in the correct direction. The hands-on activity helped them visualize greater than and less than concepts clearly. They enjoyed the playful method of learning math. It made number comparison easy and interesting for them.

Tirangaa 2025: Breaking Barriers, Building Dreams!!!

The much-awaited event of Ryan International School, Dombivli, 'Tirangaa', was held on 13th September, bringing together around 270 talented students. The theme 'Breaking Barriers, Building Dreams' resonated with the participants as they showcased their skills in 5 exciting categories. The event was a huge success, with students thoroughly enjoying the competitions and learning valuable lessons. It was wonderful to see the enthusiasm displayed by all participants.

Best Teacher Award

We're overjoyed to announce that our teacher Ms. Payel Dey has been honored with the prestigious "Best Teacher Award 2025" by 'In Major City'. The award was presented by our respected School Principal, Ms. Sandeepa acknowledging her exceptional contribution to education. We're proud to have her as part of our team.

Leadership and Excellence Award

We're thrilled to announce that our school has been recognized for excellence! We've received the prestigious "Leadership and Excellence Award" from CFore Ranking, a renowned organization that evaluates educational institutions across India.

ACTIVITIES

This achievement reflects our commitment to providing high-quality education and leadership. CFore Ranking assesses schools based on over 15 key parameters, ensuring that only the best institutions receive this honor.

Congratulations to our students, teachers, and staff for this remarkable achievement! We're proud to be recognized among the best.

Congratulations

Ryan International School, Dombivli
conferred with the prestigious Cfore School Rankings
Leadership & Academic Excellence

PARENT'S CORNER

It is said that being a parent on a school journey is a unique experience filled with countless emotions, challenges, and rewards.

I got to experience this journey a second time with my youngest daughter who joined Ryan school, Dombivli last academic year in Mont II. As parents we have always been very picky about selecting good academic institutions for both our kids as it is literally their second home till they graduate from school. From the first time we set foot into the school campus, we have been thoroughly impressed by the infrastructure of the school, the cleanliness of the premises and wide display of artwork and projects of their students on every floor of the building, the staff both teaching and non-teaching eager to help with the queries to making the admission process seem less in every way are just a few examples.

From the very first day of sending my child to school with a tiny bag, to watching her grow in confidence and knowledge each day, the journey has been nothing short of remarkable. Through parent-teacher meetings, annual functions, sports days, and countless interactions personally, I have learned the importance of partnership between parents and teachers. The class teacher Ms. Mansi Shedge just focused on the Childs academia but she gives healthy pointers on how to develop the overall personality of the child which serves as a guiding light for parents. There is continuous exchange of feedback from both the teacher and me as a parent which is resulting in the growth of my daughter in a holistic way. As a parent I am learning to encourage, and to celebrate progress rather than perfection.

The sports and PE or yoga sessions are thoroughly enjoyable for the tiny tots and they look forward to it every week. This year she has enrolled for skating class at school and refuses to be absent on that day no matter what the reason.

The little habits inculcated by the teachers like saying a prayer before the meal, using the golden words, developing a sharing mentality has had positive effects on my child outside of school too.

PARENT'S CORNER

There have been moments of pride when my child achieved something new, and moments of learning when challenges came our way.

It is always a joy to enter the classroom and see it decorated with artwork by the little artists.

Another thing worth appreciating is that Ryan school makes extra effort in connecting the kids with nature. The school has a garden area where children are encouraged to bring saplings to be planted there on their birthdays or during special occasions.

I feel grateful to Ryan school for being a nurturing partner in shaping my child's future and for allowing me, as a parent, to be an active participant in this beautiful journey.
