

From the Principal's Desk

A Celebration of Patriotism and Talent

As we reflect on our recent Independence Day celebration, I am filled with immense pride and gratitude. The feeling of patriotism was truly immense, and it was a joy to see our students showcase their dedication and talent.

Despite the hectic schedule of ongoing academic and examinations, our students demonstrated both their scholastic and co-scholastic skills in a marvellous show. The highlight of the event, the march past and dance skit, was a testament to their hard work and creativity. The performance was not just a display of skill, but a powerful expression of their love for our nation. We were honoured to have our esteemed guests offer such excellent remarks on the occasion. Their praise is a well-deserved tribute to all the students and teachers who worked so hard to make the event a success.

As we look ahead, we will continue to foster this spirit of national pride and excellence. Our commitment to "Keeping the sports high" and "standing up for Tirangaa 2025" is more than just a motto; it's a promise to nurture well-rounded individuals who excel not only in academics but also in character and civic responsibility.

Thank you to everyone who contributed to this wonderful day. Let's carry this spirit of unity and dedication into the new academic year.

Ms. Smitha Mathala

Quote of the month

“Fortitude is the capacity to say No when the world wants to hear Yes”

Erich Fromm

This quote means true strength lies in having the courage to stand firm, resist pressure, and make the right choice, even when others expect you to give in or agree.

ACTIVITIES

Raksha Bandhan: Tying Love, Sharing Joy

At Ryan International School, Dombivli, we joyfully celebrated Raksha Bandhan, highlighting the special bond between brothers and sisters. Students enthusiastically participated in rakhi making, showcasing their creativity as they designed beautiful rakhis that symbolised love, care and affection.

Shape Day – Oval Shape: Exploring the Shape through Creativity and Fun Mont I

Mont I: Students actively participated in a creative activity where they made a butterfly using oval-shaped paper cutouts and ice-cream sticks. This hands-on craft not only helped them practice their fine motor skills but also reinforced their learning experience. The children brought in food items that were oval in shape, allowing them to connect classroom concepts to real-life objects.

Mont II: Easter eggs were created and decorated with various patterns using a range of vibrant colors. This activity encouraged creativity, design exploration, and hands-on artistic expressions.

Mont III: As a part of the activity, students explored the Oval shape by using a potato as a stamp. They dipped the potato in various colors and stamped it onto paper, creating vibrant oval patterns while enhancing their understanding of shapes and colors through hands-on learning.

ACTIVITIES

Independence Day - Celebrating Freedom and Unity

Independence Day was celebrated with great enthusiasm and patriotism. We were honored to have **Colonel Ravi Kumar** and **Mr. Harshvardhan Singh Chauhan** join our **Principal, Ms. Sandeepa**, for the flag hoisting, filling everyone with pride.

The program began with a solemn **Lord's Prayer**, followed by a warm **welcome song**. Students showcased their talents through **poetry recitations, energetic dance performances**, and a special **tricolor kite-making activity** by our Pre-primary students.

Highlights included a **thought-provoking skit on Atmanirbhar** Bharat and an **emotional dance** paying tribute to the martyrs of the **Pulwama attack**. The event truly reflected the spirit of freedom and unity, and an impressive pyramid presentation by our talented girls.

The day concluded with smiles all around and a sweet treat for everyone, leaving our hearts full of joy and patriotism. It was a truly memorable day that reminded us of the values of freedom and unity.

ISRO Day - From Earth to the Stars - ISRO Continues to Make India Proud

On ISRO day students were introduced to space exploration by watching informative videos and bringing related toys. This activity helped them learn about satellites, rockets and space in an interactive and engaging way.

ACTIVITIES

Blue Day

Paper-Tearing Activity - Umbrella Craft Mont I

Using blue colour paper, small pieces were torn and pasted to create a beautiful umbrella. Students were also shown objects and cutouts of blue to help them recognise and understand the Blue colour.

Blue Day with Water Droplet Finger Print Art - Mont II

To celebrate Blue Day, students enjoyed a fun fingerprinting activity where they used blue paint to create water droplets. This hands-on task encouraged creativity, improved fine motor skills, and helped them explore the theme of the day in an exciting way.

Paper-Tearing Fun - Mont III

As part of the Blue Day celebration, students enjoyed a creative paper-tearing activity. They tore pieces of blue paper and carefully pasted them to form the shape of a shark. This fun exercise helped develop their fine motor skills while reinforcing the theme of the day through imaginative art.

National Sports Day - Promoting Fitness and Teamwork

As part of the *Fun Games* session, teachers engaged students in a lively discussion about various games and activities that promote physical fitness and teamwork. The session aimed to highlight the importance of staying active, playing together, and developing coordination and cooperation.

To make the experience more interactive, students were also shown different

ACTIVITIES

sports-related items such as a Cricket bat, a Ball, a football, a Badminton, a Hockey stick, etc. This hands-on exposure helped them recognise basic sports equipment and sparked excitement about physical activities. The session was both educational and enjoyable, encouraging a love for movement and healthy habits.

Parent Teacher Meeting

A Day of Collaboration and Creativity: Ryan International School's PTM a Resounding Success!

Ryan International School recently hosted a highly successful Parent Teacher Meeting, an event that went beyond the traditional academic discussions to become a vibrant showcase of our student's talent and testament to the strong partnership between parents and the school.

Parents were delighted to gain valuable insights into their child's academic progress, strengths, and areas of growth. The one-on-one interactions with teachers provided a clear and comprehensive overview of each student's performance, allowing for a collaborative approach to their educational journey.

Adding a unique and exciting dimension to the event were the student-led **Market Day** and **Book Stalls**. These stalls were a hub of activity and innovation, where our students' entrepreneurial skills and creativity shone brightly. Parents actively participated, browsing through a wide array of handmade crafts, innovative products, and a thoughtfully curated selection of books. The students confidently managed their stalls, showcasing their communication, marketing, and financial

ACTIVITIES

literacy skills—all essential for the 21st century. The event was a fantastic display of our students' passion for learning and their ability to apply classroom knowledge in real-world scenarios. It underscored the school's commitment to fostering not just academic excellence, but also crucial life skills such as creativity, critical thinking, collaboration, and entrepreneurship.

We extend our heartfelt thanks to all the parents for their enthusiastic participation and unwavering support. Their presence and engagement made the event.

PARENT'S CORNER

We are thankful to Ryan international school.

They are providing :

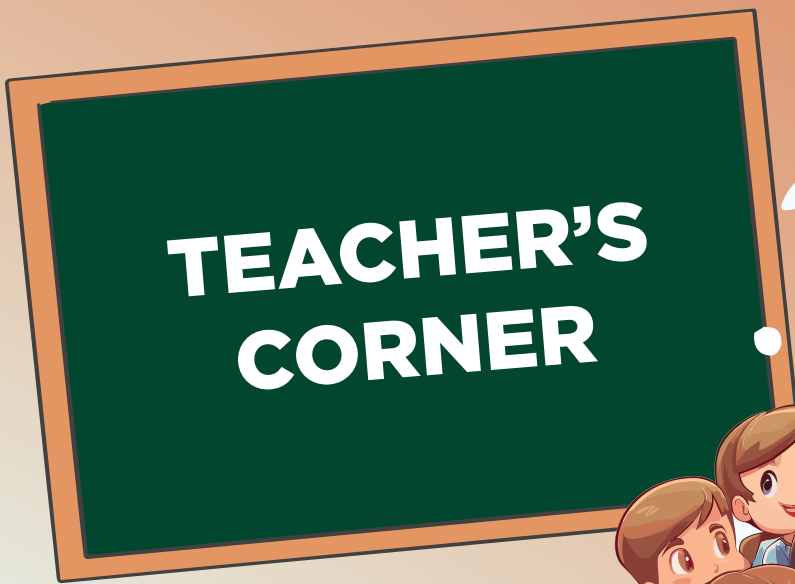

1. Quality education
2. Extra curricular activities
3. They are focusing on sports also.

My both children started school from 1st April 2025. Both are now in Montessori III class. Only 4-5 months are completed but we are happy to my kids for development of studies and others activities also.

We are impressed with your curriculum and teaching methods.

Well planned worksheets practice makes my both child's think beyond prescribe textbooks.

**- Mr. Ajit Sakpal,
Parents of Ayansh Ajit Sakpal
and Aradhya Ajit Sakpal - Mont III 'C'**

We are thankful to teachers for dedication in studies and others activities also.

We are happy for the progress both are making at this school and both are motivated to learn.

Thank you for providing such a positive learning environment and creating extracurricular opportunities is inspiring to both kids.

Your empathetic approach to student counseling creates a safe and trusting space for growth.

Dance and Creative Programs :

Teachers Creative energy in the dance brings joy and helps to both kids for express themselves.

Sports :

We are appreciate your passion for sports.

Your teaching style in sports is helping my both kids for develop there athletic skills and build confidence through active participation.
