

From the Principal's Desk

A Celebration of Patriotism and Talent

As we reflect on our recent Independence Day celebration, I am filled with immense pride and gratitude. The feeling of patriotism was truly immense, and it was a joy to see our students showcase their dedication and talent.

Despite the hectic schedule of ongoing academic and examinations, our students demonstrated both their scholastic and co-scholastic skills in a marvelous show. The highlight of the event, the march past and dance skit, was a testament to their hard work and creativity. The performance was not just a display of skill, but a powerful expression of their love for our nation. We were honored to have our esteemed guests offer such excellent remarks on the occasion. Their praise is a well-deserved tribute to all the students and teachers who worked so hard to make the event a success.

As we look ahead, we will continue to foster this spirit of national pride and excellence. Our commitment to "Keeping the sports high" and "standing up for Tirangaa 2025" is more than just a motto; it's a promise to nurture well-rounded individuals who excel not only in academics but also in character and civic responsibility.

Thank you to everyone who contributed to this wonderful day. Let's carry this spirit of unity and dedication into the new academic year.

Quote of the month

***“Fortitude is the capacity
to say No when the world
wants to hear Yes.”***

- Erich Fromm

This quote means true strength lies in having the courage to stand firm, resist pressure, and make the right choice, even when others expect you to give in or agree.

Activities

“Patience and fortitude conquer all things” Ralph Waldo Emerson

This quote by Ralph Waldo Emerson emphasizes the importance of two essential qualities: patience and fortitude. Together, patience and fortitude form a powerful combination that enables individuals to overcome any obstacle and achieve their goals. The quote suggests that with these two qualities, one can conquer all challenges and attain success.

Raksha Bandhan

At Ryan International School, Dombivli, we joyfully celebrated the intangible bond between brothers and sisters with a vibrant Rakhi making activity. Our students' creativity shone bright as they crafted beautiful rakhis, symbolizing the love and affection that defines this special relationship.

Friendship Day: Celebrating the Spirit of Friendship

Our students recently came together to celebrate the joy of friendship with a day filled with exciting activities and heartfelt moments. It was a wonderful opportunity for them to honor their bonds and create lasting memories.

The celebration was marked by a series of engaging competitions, where students showcased their talents and creativity. They had a blast exchanging friendship bands, a simple yet meaningful gesture of their connection. The day also featured a heartwarming essay-writing competition where students penned their thoughts on the significance of friendship. Their essays

Activities

were a testament to the deep appreciation and understanding they have for their friends. Additionally, students shared their personal reflections on what makes friendship so special.

It was a day filled with laughter, love, and camaraderie. We are incredibly proud of our students for wholeheartedly embracing the spirit of friendship and making it such a memorable and meaningful occasion.

Independence Day: Celebrating Independence Day with Pride

Ryan International School, Dombivli, recently celebrated Independence Day with immense enthusiasm and a powerful display of patriotism. The event was a heartfelt tribute to our nation's freedom and the spirit of its people.

We were honored to have esteemed guests Colonel Ravi Kumar and Mr. Harshvardhan Singh Chauhan join our Principal, Ms. Sandeepa, to hoist the national flag, filling everyone with a deep sense of pride. The ceremony began with a solemn Lord's Prayer, followed by a warm welcome song for our guests.

The program was a showcase of our students' incredible talent and dedication. Our young poets captivated the audience with their moving recitations, while our Pre-primary students delighted everyone with their energetic dance performances.

The highlight of the day included a thought-provoking skit on Atmanirbhar Bharat (Self-Reliant India), a deeply emotional dance performance honoring the sacrifices made during the Pulwama attack, and an impressive pyramid presentation by our talented girls.

Activities

The day concluded with smiles all around and a sweet treat for everyone, leaving our hearts full of joy and patriotism. It was a truly memorable day that reminded us of the values of freedom and unity.

Celebrating ISRO Day

Our students embarked on a thrilling journey through the cosmos, showcasing their deep curiosity and enthusiasm for space exploration. Through a series of engaging activities. During a special assembly briefing, students and teachers alike were captivated by the incredible progress of the Indian Space Research Organisation (ISRO). The session highlighted key milestones and groundbreaking missions, igniting a sense of pride and wonder in all of us.

The excitement continued as students channeled their inner astronauts, scientists, and explorers in various creative competitions:

- **Elocution:** Students delivered passionate speeches about the future of space travel, the importance of satellite technology, and the inspiring stories of Indian space pioneers.
- **Role-Play:** The corridors buzzed with activity as students brought historical space missions and famous figures to life, creating dynamic and educational skits.
- **Essay Writing:** Pens met paper as students articulated their thoughts on a range of topics, from the potential for life on other planets to the role of space exploration in solving earthly problems.

The creativity and intellect on display were truly exceptional. These activities not only celebrated the achievements of ISRO but also encouraged our students to think

Activities

critically and dream big about their own place in the future of science and technology.

National Sports Day with Enthusiasm!

Ryan International School was buzzing with energy and excitement as we celebrated National Sports Day, honoring the birth anniversary of the legendary hockey player, Major Dhyan Chand. The day was a vibrant showcase of talent, teamwork, and the spirit of sportsmanship across all grade levels.

Students of Grade I & II stepped into the spotlight, showcasing their knowledge and creativity with impressive presentations. Grade III and above "rocked the stage" with captivating role-plays, transforming themselves into famous athletes and sporting heroes. Their performances not only entertained but also paid tribute to the dedication and hard work required to achieve sporting excellence. The creative energy continued with a lively creative writing session, where students penned poems, stories, and essays, expressing their deepest thoughts and feelings about the power of sports to inspire and unite.

The day was a success, serving as a powerful reminder that sports are a vital part of a holistic education, helping to build character, instill confidence, and foster a healthy competitive spirit. We are incredibly proud of our students for their enthusiastic participation and for embodying the true spirit of National Sports Day.

Activities

Parent Teacher Meeting a Resounding Success!

Ryan International School recently hosted a highly successful Parent Teacher Meeting, an event that went beyond the traditional academic discussions to become a vibrant showcase of our students' talents and a testament to the strong partnership between parents and the school.

Parents were delighted to gain valuable insights into their child's academic progress, strengths, and areas for growth. The one-on-one interactions with teachers provided a clear and comprehensive overview of each student's performance, allowing for a collaborative approach to their educational journey.

Adding a unique and exciting dimension to the event were the student-led Market Day and Book Stalls. These stalls were a hub of activity and innovation, where our students' entrepreneurial skills and creativity shone brightly. Parents actively participated, browsing through a wide array of handmade crafts, innovative products, and a thoughtfully curated selection of books. The students confidently managed their stalls, showcasing their communication, marketing, and financial literacy skills—all essential for the 21st century.

The event was a fantastic display of our students' passion for learning and their ability to apply classroom knowledge in real-world scenarios. It underscored the school's commitment to fostering not just academic excellence, but also crucial life skills such as creativity, critical thinking, collaboration, and entrepreneurship.

We extend our heartfelt thanks to all the parents for their enthusiastic participation and unwavering support. Their presence and engagement made the event.

PARENT'S CORNER

Learning Beyond the Classroom: A Parent's Perspective

Advik, my son, recently participated in a school initiative that went beyond textbooks and lectures. He set up a pasta stall, a simple idea that turned into a powerful lesson in entrepreneurship and responsibility.

He earned Rs. 413 from 19 parents in a very short time, selling out all his pasta before 11 a.m. But what truly mattered wasn't just the money he made; it was the joy and confidence he gained from his own effort. This activity taught him valuable lessons about earning money, the value of hard work, and essential marketing skills. It was a thrill to see how proud he was of what he accomplished.

I am incredibly grateful to the school management and staff for creating such a wonderful

PARENT'S CORNER

opportunity. I believe these types of hands-on activities are crucial for a child's development, providing them with real-world skills they'll use for a lifetime. I sincerely hope the school will continue to organize similar events in the future.
