## From the Principal's Desk

As we reflect upon the energy and enthusiasm that filled our school grounds this past month, I am overwhelmed with pride. We dedicate this month to celebrating the immense feeling of sportsmanship that defined our activities, focusing on the core values of discipline, commitment, and team spirit. These aren't just words; they are the pillars upon which success is built. It is with much pride that I announce the resounding success of "Phoenix: Rise of Champions." This event has truly proven to be another feather in our school's cap!

Our students were given a good platform to highlight their talent, and they truly performed excellently. By giving their absolute best, they have returned not only with well-deserved certificates, medals, and trophies. The journey of a champion is not just about the win; it is about the dedication shown in every practice, the respect given to every opponent, and the resilience demonstrated after every challenge. The discipline and commitment you have shown are qualities that will serve you well in every area of your academic and personal life. Let us carry this spirit forward into the next month, approaching every task—whether it's an assignment, an exam, or a new school project—with the same passion and team spirit we witnessed on the sports field.

**Ms. Crystal Tambe**

**Ms. Annapurna**

**Ms. Smitha Mathala**

## **Quote of the month**

**“Intelligence is the ability  
to adapt to change.”**

“Intelligence is the ability to adapt to change” means that being truly smart is not just knowing facts – it's about how well you adjust when things around you change. A person who can stay flexible, learn new things, and handle new situations confidently is showing real intelligence.

## Activities

### World Transport Day

On 10th November Students had an exhilarating time marking World Transport Day with a fantastic array of creative and educational activities. Our young designers put their math skills to use and created vehicle models from geometrical shapes. Students created wonderful posters that highlighted the importance of safe, sustainable, and efficient transportation methods. Our budding data analysts of Grades VI to VIII designed informative infographics, presenting complex facts about global transport. It was inspiring to see their creativity, critical thinking, and awareness of the role transport plays in our daily lives and the environment.

Our curious Grade III scientists had an exciting hands-on learning experience as they explored the Water Cycle using Science Experiential Learning Kits.

The activity helped our young learners visualize key processes like melting, transpiration, evaporation, condensation, precipitation and groundwater flow, deepening their understanding of how nature recycles water every day.

### Celebrating Childhood

Ryan International School, Dombivli, recently lit up with joy and fervor for its annual **Children's Day Celebration!** We dedicated the morning to celebrating the sheer brilliance, energy, and innocence of our young learners with a special assembly. The program was a delightful blend of solemnity and fun, featuring heartfelt prayers, melodious songs, a light-hearted Hasya Kavi Sammelan, an entertaining

## Activities

teacher skit, and a vibrant musical performance. Our students proudly reaffirmed their commitment to national values by singing the National Anthem. The celebrations continued with a festive cake cutting ceremony, followed by engaging creative competitions like **Fancy Dress**, **Cartoon Character Puppet Show**, **Story Telling**, and an exciting **Sports Competition**. It was a day dedicated entirely to our children, creating cherished memories and reinforcing the importance of nurturing their boundless spirit and talents.

### Sci-Pi Activity: Little Learners, Big Impact on Energy Conservation!

We are thrilled to share the success of the recent **Sci-Pi Activity** for Grade I & II at Ryan International School, Dombivli! Our young Ryanites delved into the important theme of **Energy Conservation** through a highly engaging and interactive workshop. The students not only learned smart, actionable ways to save energy at home but also tapped into their creativity by **drawing their own energy-saving tips** to help spread awareness among their peers and families. Simple yet crucial lessons were reinforced, such as the importance of switching off unused lights, saving water, and unplugging chargers—highlighting that every small step truly counts! We are incredibly proud of our responsible and creative little learners for embracing this vital lesson and becoming ambassadors for energy conservation.

### National Milk Day Celebration

To mark National Milk Day, our enthusiastic Grade I & II students participated in a fun and creative activity where they drew a cow

## Activities

using different shapes. This hands-on art task not only enhanced their creativity but also helped them learn about the importance of milk in a healthy lifestyle.

Our young Ryanians proudly showcased their colourful and imaginative drawings, celebrating the day with joy and learning.

### Hands-on Learning: Water Purifier Model Activity

Our Grade V students explored the concept of clean and safe drinking water through an engaging Water Purifier Model Making Activity under the SEA program. The young innovators learnt about the filtration process and then created their own simple water purifier models using easily available materials.

This activity not only enhanced their scientific understanding but also encouraged creativity, problem-solving and environmental awareness.

### Thanksgiving Activity

Our talented Grade VI students celebrated the spirit of Thanksgiving with a beautiful and meaningful classroom activity. Students reflected on the people, moments, and blessings they are grateful for and expressed their thoughts by writing heartfelt messages on colourful leaf cut-outs. These gratitude notes were then assembled into a vibrant “Thanksgiving Tree”, symbolizing appreciation, positivity, and togetherness. Watching the students collaborate, write with sincerity, and proudly display their Thanksgiving Tree was truly heartwarming. Their smiles say it all. At Ryan, we believe in nurturing not just academic excellence but also emotional growth and value-based learning—and this activity was a wonderful reminder of that.

## Activities

### Students Visit Vishnunagar Police Station - Grade IX

Our Grade IX students had an exciting and insightful experience during the “Visit My Police Station” initiative at Vishnunagar Police Station, Dombivli (West), organized under MSLSA, Thane Police Commissionerate, Global Care Foundation, DLSA-Thane and NSS.

Through this awareness programme, students got a first-hand understanding of how a police station functions. They interacted with police officials, explored different departments such as the control room, CCTV monitoring section, and administrative offices, and learned about the important role the police play in ensuring public safety.

Students were enthusiastic throughout the visit, actively asking questions and proudly posing with the “Visit My Police Station” standee. This educational field visit helped them appreciate the dedication, discipline, and teamwork that keep our community safe.

### Phoenix Interschool Sports Meet 2025

A spectacular day of sportsmanship, teamwork and victory!

With the powerful theme “Phoenix – The Rise of Champions,” 10 schools competed across indoor and outdoor sports including Chess, Carrom, Table Tennis, Basketball, Cricket and Football in U11, U13 and U15 categories.

The ceremony began with a graceful march past, prayer service, multilingual welcome speech, and a symbolic release of white balloons signifying hope, unity and new beginnings.

## Activities

We extend heartfelt gratitude to our Chief Guest Mr. Biplan Bardaan and our respected Principal Ms. Sandeepa for inspiring young athletes. Proud moment for Ryan International School as our students showcased talent, discipline and determination—bringing home multiple victories!

## Codeavour Orientation

Students of Grades VI to VIII enthusiastically participated in the Codeavour Orientation Program, exploring the exciting world of coding, AI, and innovation.

The session introduced students to creative problem-solving, hands-on computational thinking, and the spirit of digital innovation. Our young Ryanites showed great curiosity and excitement as they learned how coding can shape the future. A big shout-out to our talented students for embracing technology with confidence and enthusiasm. We look forward to seeing their brilliant ideas come alive.

## Ryan International School, Dombivli Shines at Nritya Kala Tilakam 2025

Six of our dazzling young performers proudly represented Ryan International School, Dombivli at the Nritya Kala Tilakam 2025 - The Indian Traditional Classical Dance Festival!

The event was held at Sadhu Vaswani International School, Navi Mumbai, on Sunday, 9th November 2025. Our talented students gave a mesmerising Pure Classical Group Dance performance, showcasing grace, discipline, and the rich heritage of Indian classical dance. Their hard work, dedication, and passion truly lit up the stage and made all of us proud.

# Activities

## Community Service Activity – Poster Making on Cleanliness

Students of Grades VI to VIII enthusiastically participated in a meaningful Community Service Activity focused on the theme “Cleanliness and Hygiene.”

With great creativity and awareness, our young Ryanites designed thoughtful and eye-catching posters promoting cleanliness, highlighting the importance of keeping our surroundings clean, maintaining good hygiene habits, and contributing to a healthier community.

This activity not only encouraged artistic expression but also helped students understand their responsibility towards society and the role each one can play in creating a cleaner environment.

## PARENT'S CORNER

I am truly happy and proud to be a part of the Ryan International School, Dombivli family. The transformation I have seen in my child over this period is remarkable and deeply fulfilling as a parent.

From being shy and hesitant, my child has now evolved into a confident, expressive, and well-spoken individual. The way she communicates, presents herself, and interacts with others reflects the strong foundation being laid by the school. Her confidence today is a true result of the nurturing environment, innovative teaching methods, and constant encouragement provided by the dedicated teachers.

Ryan International School has not only focused on academic excellence but has also played a vital role in shaping her personality and values. I am truly grateful to the entire staff and management for their relentless efforts, care, and commitment towards every child's holistic development.

## PARENT'S CORNER

Thank you, Ryan International School, Dombivli, for being such a wonderful pillar in my child's learning journey.
