Embracing Dignity – A Foundational Virtue

As we step into a new academic year, I am filled with immense joy and pride to witness the continued growth and achievements of our school community. Our collective efforts, dedication, and persistent commitment to excellence have been the driving forces behind our success. Today, I wish to draw your attention to a fundamental virtue that lies at the heart of our school's values: dignity.

Respect, self-worth, and the understanding of each person's inherent worth all fall under the umbrella of the multidimensional idea of dignity. It is a characteristic that distinguishes us as compassionate and empathic humans. In our school, we truly believe that cultivating a culture of dignity is necessary for raising responsible citizens.

One of the key aspects of dignity is respecting one another, regardless of differences. Our school embraces diversity, recognizing that each person brings a unique perspective and set of experiences. By treating everyone with respect and kindness, we create an inclusive atmosphere where everyone feels valued and appreciated. We have community service programmes to enrich the value of dignity among our students. Moreover, dignity extends beyond how we treat others; it starts with how we treat ourselves. Each of you is gifted with incredible talents and potential. Accepting your strengths and acknowledging your weaknesses with grace is an essential part of cultivating self-respect and dignity. Remember, the journey to self-improvement is a continuous process, and setbacks are opportunities for growth.

Let us also recognize that dignity extends to the way we care for our school and the environment. Keeping our surroundings clean, respecting school property, and promoting sustainability are essential in demonstrating our responsibility and appreciation for the resources we have. As we strive for

excellence in academics, sports, the arts, and other endeavours, let us not lose sight of the significance of dignity. Together, we will create a better, more dignified world.

I wish you all a fruitful and rewarding academic year ahead.

- Ms. Anshu Saxena,
Principal, RIS Dombivli

Editorial Committee:

Ms. Anshu Saxena, Principal

Ms. Sangeeta Ahuja, Academic Coordinator

Ms. Utkersha Phadte, TGT

“

Quote of the month
***“Freedom is the open
window through which pours
the sunlight of the spirit
and human dignity”.***

”

The phrase suggests that freedom acts as a conduit for essential elements that enrich our lives. It enables the light of knowledge, personal growth, and the realization of human dignity to flow into our existence. Just as sunlight illuminates and nourishes, freedom allows us to flourish and find meaning in our lives by embracing our inherent rights, pursuing our passions, and connecting with others.

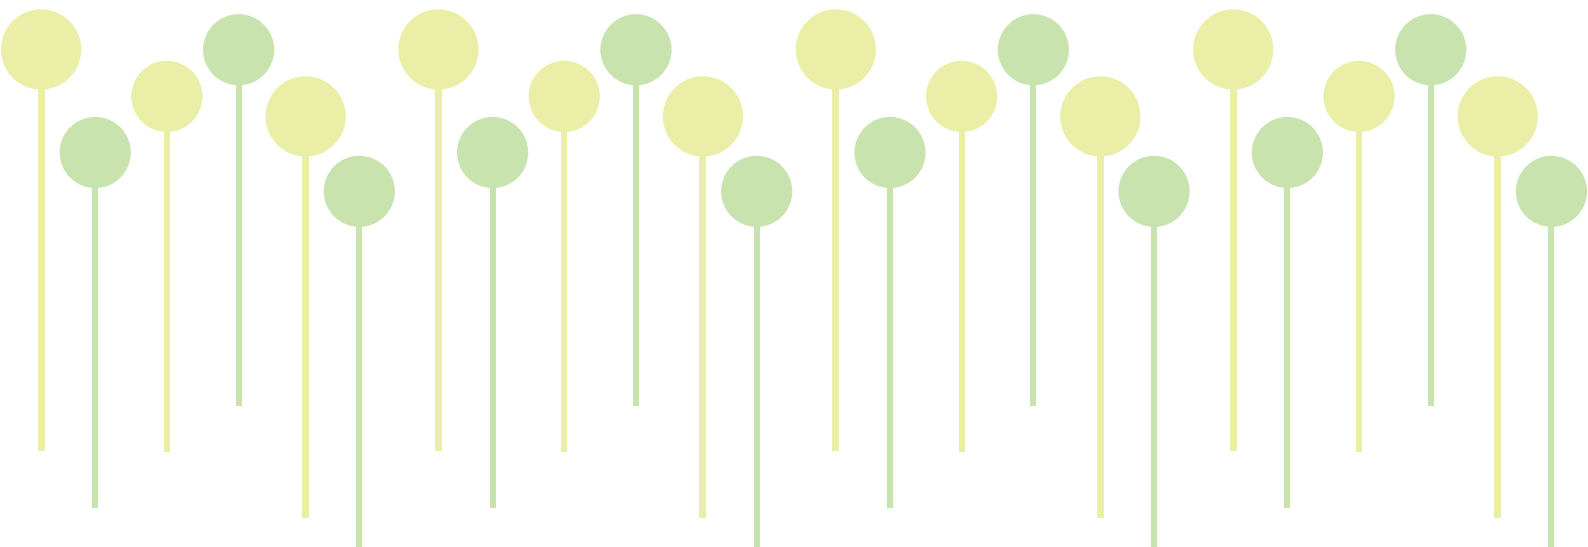

FROM COORDINATOR

Dignity, the belief that all humans have equal worth and value, is the foundation of our work. Everyone has dignity. Everyone has the same amount. It cannot be earned or lost.

Students at RISD are provided with ample opportunities to expand, explore, and express their innate talents. We also promote critical thinking in students so they learn to govern themselves. This is demonstrated in the various activities that are conducted by the students themselves. This not only boosts their confidence, but they also feel that they are a valuable asset for our institute.

Students interact with other students of diverse socioeconomic and cultural backgrounds and thus practically learn and understand complex values like national integration.

ACADEMIC ACTIVITIES

Parent Orientation Program

The Parent Orientation Program, held on 1st April 2023, served as a valuable platform to provide comprehensive insights to the new stakeholders of Ryan International School. The school head Ms. Anshu Saxena commenced the program by providing an informative overview of the school's functionality, highlighting its core values, educational philosophy, and commitment to holistic development. The Parent Orientation Program at Ryan International School was a resounding success, providing new stakeholders with a comprehensive understanding of the school's vision, mission, and educational programs. To ensure active engagement and experiential learning, the students were immersed in a series of interactive activities. In the Math Lab, they were exposed to advanced concepts of money and weights. Meanwhile, under the careful guidance of a dedicated science teacher, the students gained hands-on experience and a sense of wonder as they explored the fascinating world of science. The Innovation Guru, an expert in tool handling, shared valuable insights and techniques with the students, enabling them to develop essential skills in problem-solving and innovation. The library

activities provided a platform for students to enhance their cognitive abilities by solving crosswords and riddles. The vibrant world of colors and art captured the attention of many students, encouraging self-expression and unleashing their creativity. Additionally, music and dance sessions enlivened the atmosphere, inspiring the students to move their feet. Sports activities played a significant role in the orientation, igniting a sense of enthusiasm. These activities not only nurtured their physical well-being but also instilled important values such as discipline, perseverance, and resilience. The Parent Orientation Programme at Ryan International School was a great success, giving new participants a thorough grasp of the school's vision, mission, and academic programmes. The interactive activities, ranging from Math Lab to science experiments, innovation sessions, library challenges, art, music, dance, and sports, ensured a well-rounded and engaging experience for the students. The orientation not only acquainted parents with the school's ethos but also established a strong foundation for collaboration and communication between the school and parents.

ACADEMIC ACTIVITIES

Siblings Day

Siblings Day is a time to recognize the importance of siblings in our lives and to show them love, gratitude, and appreciation. People often mark the day by spending time together, exchanging gifts or cards, or engaging in activities that they enjoy as a family. Ryan International School celebrated Siblings Day on 10th April 2023. The students were engaged in fun activities. One of the highlights of the event was the drawing session, where the young artists unleashed their creativity by sketching delightful cartoon characters depicting siblings. A photo moment competition was also organized. Another delightful activity that enthralled the students was the puppet show, specially crafted to emphasize the importance of sibling relationships. The celebration of Siblings Day at Ryan International School left a lasting impression on the students. It not only provided them with an enjoyable and engaging day but also instilled in them a deeper understanding of the significance of siblings in their lives.

Ambedkar Jayanti

Ambedkar Jayanti is observed on April 14th every year to honor Dr. Ambedkar's significant contributions to Indian society and to promote his ideals of justice, equality, and social inclusion. Quiz Competition was held for grades I to VII to understand the key aspects of the constitution and the contribution of Dr. Ambedkar. Furthermore, as part of the commemorative activities, the students were also encouraged to express their creativity by creating symbolic representations of the core ideals. Through their artwork, the students aimed to visually communicate the significance of liberty, equality, and fraternity in the context of Dr. Ambedkar's vision for a just and inclusive society. Such multifaceted celebrations provide a holistic understanding of Dr. Ambedkar's legacy and help cultivate a deeper appreciation for his tireless efforts in championing the cause of social justice and equality.

ACADEMIC ACTIVITIES

Community Service

Community service in schools refers to the practice of involving students in volunteer activities that benefit the local community. It is a way for students to actively engage with the community, learn about social issues, and develop a sense of social responsibility and empathy. For April the theme was 'Likhega India Tabhi Tho Badega India'. The teachers with the help of Power Point Presentation enlightened the students about the importance of Education. The students got the stationery boxes as a gift for Zilla Parishad Students. For June the theme was 'Say no to Plastic' the students made paper bags along with the students of Zilla Parishad.

Innovation Lab

The Innovation Lab at RISD is a space where students engage in hands-on learning, creative play, and science projects and learn the skills to create, discover, design, engineer, and build. The students from Grade III onwards work on different models based on scientific concepts and principles independently and collaboratively every month. It facilitates problem-solving skills, critical thinking, creativity, teamwork, and an innovative mindset. For the month of June, grade III students worked on windmills; grade IV on 2D and 3D shapes; and grade V on a motorized zoetrope.

Sports

Kho kho is a traditional Indian sport that holds great importance in schools for various reasons. House wise Kho-Kho game was conducted for all the grades. Participating in Kho kho, students engaged in intense physical activity, which helped in developing their overall fitness levels. The students energetically participated in the game and badges were awarded to all the students who participated in the game.

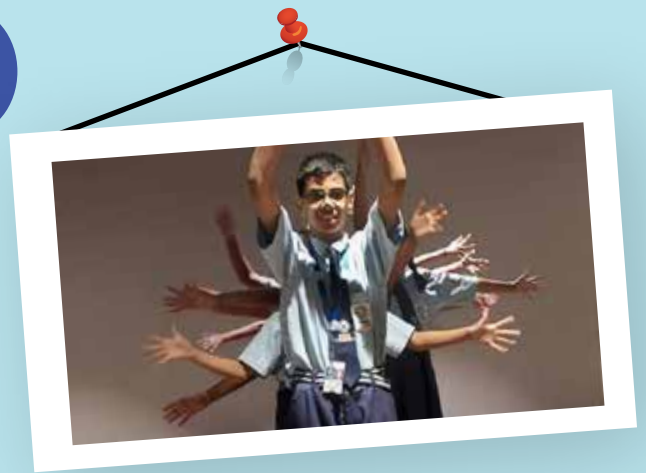

ACADEMIC ACTIVITIES

Club Activities

School clubs are an integral part of a well-rounded education, offering students the opportunity to explore their interests, develop new skills, and build meaningful connections with like-minded peers.

The Sci Pi club engaged its members in intellectually stimulating activities. The students solved riddles and brain teasers, challenging their problem-solving abilities and critical thinking skills. Additionally, they created a timetable, which is crucial for academic success and future endeavors. The members of the eco and gardening club immersed themselves in the wonders of nature and sustainable practices. They explored the world of vegetables through painting, the students actively contributed to environmental preservation by planting saplings. In the heritage club, participants delved into the rich cultural history of their region and beyond. As a creative expression, the students also crafted ornaments. The literary club took students on a captivating journey of words and expressions. Through activities like object talk, students learned to describe and communicate their thoughts about various objects, enhancing their verbal communication skills and vocabulary. Engaging in vocabulary games further enriched their language proficiency. The performing arts club brought the magic of dance and theatrical expressions to the students. Participants explored freestyle dancing, and the art of mime, mastering non-verbal communication. The revival of lost art club celebrated the beauty of traditional art forms. The members immersed themselves in the mesmerizing art of Warli painting, learning about its historical roots and techniques. The health and wellness club prioritized physical and mental well-being. The students actively engaged in exercise activities, promoting an active lifestyle and the benefits of regular physical activity. They also created healthy meal planners, emphasizing the importance of nutrition and balanced diets for overall well-being. Students forge meaningful connections with like-minded peers, creating a supportive community within the school environment.

ACADEMIC ACTIVITIES

English Language Day

The students of Ryan International School Dombivli celebrated International English Day on the 23rd April 2019 which is traditionally observed as the birth and death anniversary of William Shakespeare. The celebration aimed to entertain as well as inform, with the goals of increasing awareness and respect for the history and culture of the English Language and the achievements of innumerable writers, poets, and playwrights. There were many activities, that were conducted throughout the day, designed for various grades. Various classroom activities like storytelling, tongue twisters, and word search puzzles were conducted. English Language Day served as a platform to celebrate the rich cultural and literary heritage associated with the English language.

World Bicycle Day

On 3rd June 2023, World Bicycle Day was celebrated at RISD with great enthusiasm at the school. The day commenced with students of grades I-II singing the Bicycle Song, which spread joy and excitement throughout the campus. To engage the creative minds of students in grades III - V, a craft activity was organized. They enthusiastically participated in making a model of a bicycle using colorful craft papers. The students showcased their artistic skills, as they carefully crafted each part of the bicycle. Meanwhile, students of grades IV - VII were given the opportunity to explore their imagination and design skills. They were challenged to create a unique logo representing the essence of World Bicycle Day and design a bicycle with innovative features. In addition to the creative activities, a quiz competition was conducted to enhance the student's knowledge about bicycles, cycling, and the significance of World Bicycle Day. The competition involved questions ranging from the history of bicycles to the benefits of cycling for health and the environment. The activities encouraged them to think creatively, explore new ideas, and learn about the benefits of cycling from a holistic perspective.

ACADEMIC ACTIVITIES

World Environment Day

World Environment Day is a significant occasion that highlights the importance of environmental conservation and encourages individuals to take action toward a sustainable future. At Ryan International School, Dombivli the students of grades I - VII enthusiastically celebrated this day. To kickstart the celebrations, the students came together to sing an environment song. The students collected leaves from various plants and trees, carefully pressing and preserving them. With the addition of simple materials such as strings and beads, the students transformed these leaves into beautiful and eco-friendly accessories. Another engaging project undertaken by the students was the creation of mini-gardens. With a hands-on approach, they learned about plant care and cultivation by planting small flowers, herbs, and vegetables in containers. Furthermore, the students of grades V - VII actively participated in creating a chart illustrating different steps to conserve the environment. They researched and brainstormed ideas for sustainable practices such as reducing waste, conserving energy, and promoting recycling. The students also envisioned eco-friendly landscapes, incorporating elements like green spaces, water features, and renewable energy sources. By engaging in these activities, the students not only gained knowledge about environmental conservation but also developed a deeper connection with nature. Through song, crafts, gardening, chart-making, and landscape planning, they demonstrated their understanding of environmental conservation and their role in creating a sustainable future. By engaging in these activities, the students not only gained knowledge but also developed a deeper connection with nature, fostering a sense of responsibility and inspiring others to join in the efforts to conserve and protect our planet.

World Ocean Day

World Ocean Day is an annual global observance held on 8th June 2023 to raise awareness about the importance of the world's oceans and promote the sustainable management of marine resources. This significant day serves as a platform to highlight the

ACADEMIC ACTIVITIES

vital role that oceans play in our lives. The students were involved in various activities like drawing and making different craft work to understand the significance of the day.

Investiture Ceremony

An investiture ceremony is a grand occasion that symbolizes the passing of power and responsibilities to the Student Council to integrate them into the school functioning and infuse in them a sense of belongingness to the institution. Students from Mont III and grades VI and VII were selected as the student council members through a series of selection process including a briefing session, filing of nomination papers, addressing the students about their vision, and interaction with the selection committee. The newly constituted student council members were bestowed with new responsibilities and duties on 17th June 2023 through a formal Investiture Ceremony. The Chief Guest, a retired Army Colonel, Ram Kumar Singh and the Guest of Honour, Ms. Aparna Singh, an Educationist, graced the ceremony. Four parents were also invited as special guests for the occasion, aligned with the visions of Leadership, Human Resource, Art and Entrepreneurship in focus. The event started with prayer and worship songs invoking the blessings of the Almighty. The well-orchestrated programme covered plantation by the guests, the welcome speeches, welcome song, patriotic song, a speech on conserving environment, and the swearing in ceremony of the Student Council who took oath to serve the school with all integrity and a sense of commitment. The ASE awards were also given away to grade V students of 2022-23, Kanak (Star Achiever) for scoring more than 90 % in all three terms in Marathi and Aarav Singh (Super Star) for showing improvement in academics. The Chief Guest in his address appreciated the event, which he stated was conducted in the Fauji style and guided the students to work as soldiers for the school with a deep sense of discipline, responsibility, and conviction. At the end of the programme, the student council members planted the saplings as a mark of protecting the environment.

ACADEMIC ACTIVITIES

Father's Day

Father's Day is an extraordinary occasion that grants us the perfect opportunity to express our deep appreciation and heartfelt gratitude for the incredible fathers in our lives. This special day is dedicated to celebrating the irreplaceable role that fathers play in our journey through life. On this auspicious day, we come together to honor and cherish the remarkable fathers who have enriched our lives with their unconditional love and selfless dedication.

The bond between a father and child is a unique and cherished connection, filled with countless moments of laughter, shared experiences, and heartfelt conversations. To celebrate Father's Day, a joyous gathering was organized at the school premises on the 24th June 2023. The event was designed to strengthen the bond between fathers and their children through engaging and fun-filled activities.

The father-child duos were immersed in various activities that encouraged creativity, teamwork, and a shared sense of joy. In the mont I tolll category, fathers and children delighted in painting together, writing messages of love and appreciation, and creating art pieces that embodied their unique bond. The air was filled with the harmonious melodies of fathers and their little ones singing and dancing, reciting rhymes, and participating in energetic freeze dance sessions. Additionally, hands-on activities such as tie-making, Simon says, and more added to the excitement of the day.

As the celebration continued, fathers of grade I and II students showcased their dance moves in a fusion dance performance. They engaged in friendly competitions like passing balls with music and even took part in a thrilling hurdle race. The fathers' enthusiasm and energy were infectious as they not only danced but also serenaded their children with heartfelt songs, creating unforgettable memories.

In the grades III to V category, fathers took part in exciting activities such as bingo and charades,

ACADEMIC ACTIVITIES

fostering camaraderie and laughter. The day culminated in a vibrant display of dancing, where fathers proudly showcased their moves alongside their children.

As we celebrate Father's Day, let us take a moment to reflect on the immeasurable impact our fathers have had on our lives. Their unwavering love, guidance, and selfless dedication have shaped us into the individuals we are today. Father's Day is not only a day of celebration but also a reminder to express our heartfelt appreciation for the presence and support of our fathers.

Yoga

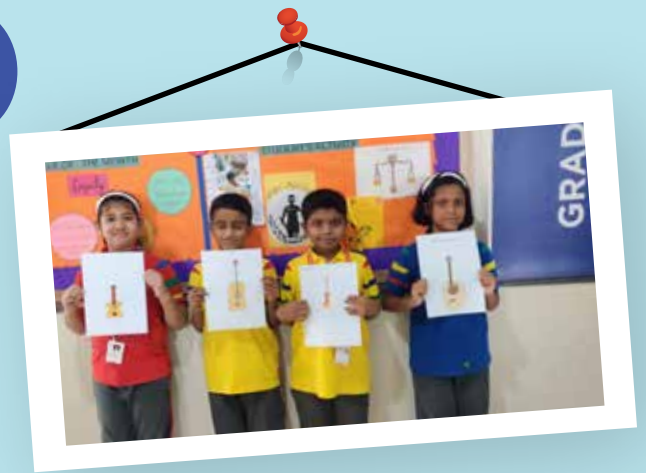

Yoga, an ancient practice that originated in India, has gained global recognition for its profound benefits on physical, mental, and spiritual well-being. In recognition of its universal appeal, the United Nations declared 21st June as International Yoga Day, providing a platform to celebrate and promote the practice of yoga worldwide. This article explores the significance of Yoga Day and highlights the transformative power of yoga in fostering holistic wellness. Grade I and II were indulged in the activity of finding out the human body parts in a given word search, they also learned the art of breathing. Grade III and IV enjoyed the activity of performing yogasanas as well as learning their names, where as grades V to VII were engaged in the activity of drawing the yoga poses and explaining the same. A yogasana quiz was also held where in the students were asked to identify the yoga poses. As International Yoga Day continues to gain momentum each year, it serves as a powerful reminder of the transformative potential of yoga in promoting holistic well-being. The practice of yoga offers a harmonious blend of physical, mental, and spiritual benefits, making it a valuable tool for modern-day living. By embracing yoga as a way of life, individuals can cultivate a deeper connection with themselves, others, and the world around them, ultimately leading to a more balanced and fulfilling existence. We believe that our learners made the most out of it in taking back home the yoga they learned.

ACADEMIC ACTIVITIES

World Music Day

Music is often considered a universal language that transcends cultural boundaries and connects people from different backgrounds. On the occasion of World Music Day, a series of engaging activities immersed the students in the world of melodies and rhythms. One of the highlights of the day was a singing competition that brought together students from all grades. Talented vocalists showcased their musical prowess, mesmerizing the audience with their melodious voices. The students explored the world of musical instruments through an interactive drawing activity. To engage students in a fun and educational manner, crosswords and puzzles related to music were given to them in groups. Classrooms resonated with the melodies of different genres, nurturing a musical ambiance that enhanced the learning experience.

World Hydrography Day

World Hydrography Day, celebrated annually on 21st June 2023, holds great significance as it aims to raise awareness about the crucial role of hydrography in understanding and charting bodies of water. During this occasion, students in grades V - VII were actively engaged in a captivating map reading activity. The focus of the activity was on interpreting a thematic map showcasing the annual rainfall patterns in India. They interpreted the legend, grasping the relationship between color shades and the corresponding rainfall intensities. By delving into this interactive learning experience, the students gained insights into the diverse climatic conditions prevailing in different parts of India. The map reading activity conducted house-wise for students in grades V - VII on World Hydrography Day proved to be a valuable learning experience. By interpreting a thematic map depicting annual rainfall in India, the students honed their map reading skills, developed a deeper understanding of climatic patterns, and gained insights into the importance of hydrography.

ACADEMIC ACTIVITIES

International Olympic Day

On the occasion of International Olympic Day, the students of RISD enthusiastically participated in a range of events and activities aimed at engaging them in sports and physical activities. To celebrate the spirit of the Olympics, a drawing competition was organized, allowing the students to showcase their artistic skills and creativity. In addition to drawing, the students had the opportunity to design champion trophies. Inspired by the iconic Olympic medals, they let their imaginations soar as they crafted unique trophies using different materials and artistic techniques. Furthermore, a speech competition was held, allowing the students to share their knowledge and passion for their favorite Olympic sports. Each participant eloquently presented information about their chosen sport, highlighting its history, rules, and the athletes who have excelled in it. To promote active participation and teamwork, the students of grades VI - VII engaged in a friendly volleyball tournament. The activities emphasized the importance of sportsmanship, perseverance, and teamwork, while also promoting a healthy and active lifestyle.

HSCP Assembly

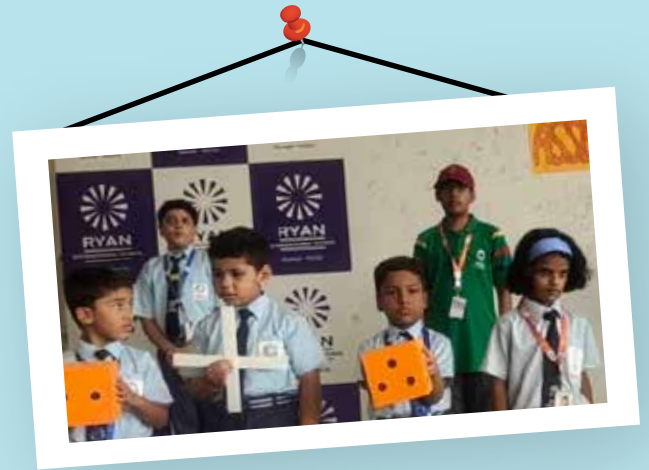

A special assembly was conducted at to enlighten the students about the significance and utilization of a suggestion box. During the assembly, students were introduced to the concept of a suggestion box and its purpose. They learned that a suggestion box serves as a confidential means for students to provide feedback, suggestions, and recommendations to the school administration and teachers. The assembly emphasized that their voices matter and that their suggestions can contribute to positive changes within the school environment. To encourage student involvement and active engagement, the assembly featured interactive discussions and real-life examples of how the suggestion box has been successfully utilized in various settings. Students were encouraged to think about ways in which they could use the suggestion box to improve different aspects of school life, such as academics, extracurricular activities, facilities, and the overall learning environment.

ACADEMIC ACTIVITIES

Math Assembly

A vibrant Math Assembly was conducted aiming to ignite the students' curiosity and enthusiasm for mathematics. The assembly focused on introducing the basic concepts of shapes in geometry and enhancing students' understanding of addition through engaging activities and interactive discussions. As the assembly began, the students were captivated by colorful visuals and engaging presentations that showcased a variety of shapes. The basic principles of geometry were introduced, including identifying and recognizing different shapes such as triangles, squares, rectangles, circles, and more. The students eagerly participated, demonstrating their ability to perform calculations and showcasing their growing math skills. This interactive approach encouraged active engagement and helped students develop a solid foundation in addition. Similarly, the significance of addition in daily life, such as counting money or calculating measurements, was highlighted. By connecting math to real-world contexts, students gained a deeper appreciation for its relevance and practicality.

Student Achievements

Prodigy of Ryan International School

Kavyanjali Jagtap, a young prodigy from grade II at Ryan International School, has undoubtedly left an indelible mark on the academic landscape by achieving exceptional scores in various prestigious Olympiad exams.

In the National Cyber Olympiad, Kavyanjali's brilliance and dedication shone through, earning her the coveted Medal of Distinction. Kavyanjali's quest for knowledge and excellence extended to the National Science Olympiad, where she clinched the prestigious Medal of Excellence. This impressive achievement is a reflection of her passion for science and her willingness to explore the wonders of the natural world. While her accomplishments in the National Cyber Olympiad and National Science Olympiad stand as remarkable achievements on their own, it is essential to acknowledge the numerous other medals and honors she has earned in various competitions. Despite her young age, Kavyanjali's academic prowess and accomplishments reflect not just natural talent but also a strong work ethic and unwavering determination. Her commitment to continuous learning and self-improvement has undoubtedly played a significant role in her consistent success. Moreover, Kavyanjali's achievements are a testament to the support and guidance she receives from her parents and teachers. Ryan International School's nurturing environment and the dedication of its educators have undoubtedly played a crucial role. As Kavyanjali continues to shine academically and bask in the glory of her achievements, it is evident that she is a young star destined for great things. Her story serves as an inspiration to her peers, proving that age is never a barrier to achieving greatness when one is driven by passion, curiosity, and a thirst for knowledge.

The Young Author of RISD

Naman Agrawal, a bright and talented student in grade III at Ryan International School, has accomplished something truly exceptional at a very young age – he has authored a book centered around his favorite game, football. This remarkable achievement is a testament to Naman's passion for both writing and the sport that he loves. Naman's creative storytelling, vivid descriptions, and captivating narrative have made his book a true masterpiece, even at such a tender age. The theme of the book, "Footfall," not only reflects Naman's love for football but also showcases his ability to express his thoughts and emotions through the written word. The dedication and hard work he put into crafting this literary work are truly commendable and demonstrate his determination to pursue his interests and talents beyond the classroom. We firmly believe that this is just the beginning of Naman's literary journey, and with his talent and dedication, he is bound to write more books that will touch the hearts of many. The encouragement and support Naman received from his parents and teachers have undoubtedly played a significant role in rearing his creativity and literary skills. Ryan International School's nurturing environment has provided him with the platform and guidance to explore his talents, and we are thrilled to witness his growth as an aspiring author. As Naman embarks on this exciting journey as an author, we wish him all the success and prosperity in his future literary endeavors.

PARENT'S CORNER

I am delighted to be a part of Ryan International School, where the holistic development of our children is at the forefront of their educational philosophy. The school's commitment to providing a well-rounded and enriching learning environment is truly commendable. One of the most remarkable aspects of Ryan International School is the emphasis it places on involving parents in their child's development journey. Through various activities and events, parents are encouraged to actively participate in their child's educational experiences. Whether it's attending parent-teacher meetings, school exhibitions, cultural events, or sports competitions, parents are given ample opportunities to witness and support their child's growth and achievements. The school's array of diverse activities is designed to nurture each child's unique talents and interests. These activities span a wide range, including sports, arts, cultural events, science fairs, drama, music, and community service initiatives. This holistic approach ensures that students not only excel academically but also develop essential life skills, creativity, critical thinking, and social awareness. Moreover, the well-organized structure of activities at Ryan International School deserves special mention. From planning to execution, each event is meticulously organized, ensuring that the students and parents have a seamless experience. The teachers, who are the backbone of any educational institution, play a crucial role in making these activities engaging and meaningful. Their dedication, passion, and innovative teaching methods make learning an enjoyable and fulfilling experience for the students. The school's commitment to fostering an inclusive and nurturing environment cannot be overstated. Ryan International School emphasizes the importance of emotional intelligence and character development alongside academic excellence. By promoting values like empathy, compassion, and resilience, the school helps shape well-rounded individuals who can navigate the challenges of life with confidence and integrity. Beyond academics, the school also places great emphasis on instilling a sense of community service and social responsibility in its students. Various outreach programs and charitable initiatives are organized to teach children the importance of giving back to society and making a positive impact on the world around them. In conclusion, my experience at Ryan International School has been nothing short of exceptional. I am grateful for the opportunities it provides to nurture and witness the holistic development of our children. The school's focus on organizing engaging activities and involving parents in the process sets it apart as an institution that truly cares about the growth and well-being of its students. I look forward to continuing this incredible journey of learning, growth, and discovery with Ryan International School.

**- Parent of Prisha Sahani,
Grade III 'A'**

Ace Awards

The ACE Award, a prestigious laurels at Ryan International School, has been instituted to recognize and appreciate the dedication and hard work of the facilitators towards the school's growth and the overall development of its students. For April and June, the ACE Award was bestowed upon three exceptional facilitators: Ms. Deya Mukherjee, Ms. Rekha Kotilwal, and Ms. Utkersha Phadte. Each of them exhibited remarkable skills, passion, and commitment in their respective roles, leaving a lasting impact on both the school and the students. As an institution that values and cherishes its educators, Ryan International School takes great pride in celebrating the achievements and dedication of its teachers. The ACE Award serves as a source of motivation and encouragement for all the facilitators, inspiring them to continue their pursuit of excellence in education. Beyond their roles as teachers, Ms. Deya Mukherjee, Ms. Rekha Kotilwal, and Ms. Utkersha Phadte are role models for their students, exemplifying qualities such as dedication, passion, and a genuine love for teaching. Their contributions extend beyond the classroom, as they actively participate in school events, mentoring programs, and community outreach initiatives, making them valuable assets to the school and the community as a whole. As they continue to inspire and nurture young minds, Ryan International School is confident that their impact will be felt for years to come, leaving a lasting legacy of excellence in education.

Teachers Training

Artificial Intelligence is the new way of life. Teachers have also opened new avenues and are using AI in the teaching and learning process. A session was organized by Senses organization on 29th May 2023 on the use of Interactive Intelligence Panel. Snehith Varma the spokesperson briefed the teachers about the interactive panels and the tools that will make learning fun-loving for the students. Science 3D models, Shapes, and Maps can be introduced to the students with the help of AI. The session unveiled the teaching for Genz.

Teachers Article

Thriving with Dignity

Dignity is a fundamental aspect of human existence that encompasses the inherent worth, respect, and value of every individual. It is a concept deeply rooted in human rights and ethics, emphasizing the importance of treating all individuals with honor, fairness, and compassion. Dignity serves as a guiding principle in various domains, including personal relationships, professional settings, and societal interactions.

At its core, dignity acknowledges and affirms the unique and equal worth of each person, regardless of their background, identity, or circumstances. It recognizes that every individual possesses an inherent dignity simply by virtue of being human. This principle underpins the belief that all individuals are entitled to basic rights, such as autonomy, freedom, and protection from harm. Dignity also encompasses the right to be treated with respect, without discrimination or prejudice.

One crucial aspect of dignity lies in the way we interact with others. Respecting someone's dignity means acknowledging their individuality, listening to their opinions, and valuing their perspectives. It involves engaging in compassionate and empathetic communication, which fosters a sense of trust and promotes mutual understanding. By treating others with dignity, we create an environment that encourages cooperation, inclusivity, and the growth of healthy relationships.

Dignity is particularly significant in professional settings, where it forms the basis for fair treatment and equal opportunities. Upholding dignity in the workplace means recognizing and appreciating the skills, talents, and contributions of every employee, regardless of their position or background. It involves creating an inclusive and supportive work culture that promotes collaboration, respect, and personal development. Organizations that prioritize dignity often benefit from higher employee satisfaction, increased productivity, and enhanced innovation.

Furthermore, dignity plays a vital role in societal interactions and the pursuit of social justice. It demands that societies provide equal access to essential resources and opportunities, ensuring that individuals can lead a life of dignity. This includes access to education, healthcare, employment, housing, and justice systems that are free from discrimination and bias. Upholding dignity on a societal level requires challenging and dismantling systemic injustices, promoting equality, and advocating for the rights of marginalized and vulnerable communities.

Dignity also has a profound impact on individual well-being. When individuals are treated with dignity, they

experience a sense of self-worth, belonging, and empowerment. This, in turn, contributes to their mental and emotional well-being, fostering resilience, confidence, and a positive self-image. Conversely, the denial of dignity can have severe consequences, leading to feelings of shame, humiliation, and powerlessness. Therefore, it is crucial to prioritize and protect the dignity of individuals, as it directly affects their quality of life and overall happiness.

In conclusion, dignity is a fundamental aspect of human existence that underpins human rights, ethics, and social interactions. It acknowledges and affirms the inherent worth and value of every individual, demanding respect, fairness, and compassion. Upholding dignity in personal relationships, professional settings, and society at large fosters inclusivity, cooperation, and social justice. By treating others with dignity, we create a world that values and respects the uniqueness of each person, ultimately contributing to the well-being and flourishing of individuals and communities alike.
