Welcome to the New Transport Groups – Important Information

Circular No: Cir/07/25-26

Date: 31/03/2025

Dear Parents,

Welcome on board to the new transport groups! We are excited to have your child travel with us.

You will personally receive a call today with your specific route details and timings from our administrator. Additionally, the updates regarding your route will be shared in the broadcast group by tomorrow, so please stay tuned for that.

We will also be sharing an Excel sheet with all transport details, including driver and attendant information for your reference.

Important Guidelines:

- Please ensure you reach the pick-up and drop-off point at least 10 minutes before the scheduled time.
- As per policy, the bus will wait for a maximum of 2 minutes at each stop—drivers will not be able to wait beyond this.
- GPS tracking will be activated within a week, as the routes are currently on a trial basis. In the meantime, we will be using WhatsApp live location for updates.

We truly appreciate your patience and cooperation during this trial period.

Wishing all our students safe and happy travels!
