Dear Parents,

Greetings from **Ryan International School, Kondapur!**

The International Hydrographic Bureau was established on June 1921, for the purpose of providing a mechanism for consultation between governments on such matters as technical standards, safe navigation and the protection of the marine environment. In 1970 the name was changed to the International Hydrographic Organization (IHO). In 2005 the IHO adopted the concept of a World Hydrography Day, which was "welcomed" by the United Nations General Assembly.

We, Ryan International School, Kondapur is organizing competitions for Grade V to enhance their knowledge.

21st JUNE WORLD HYDROGRAPHY DAY
