RYAN INTERNATIONAL

SCHOOL KOMPALLY

Circular No: Cir/105/26-27

Date:17/07/2026

Dear Parents,

As part of our commitment to nurturing empathy, compassion, and social responsibility among our students, Ryan International School, Kompally is organizing a Community Service Drive for the collection of groceries from 20th to 24th July. The collected items will be donated to a local old age home.

Parents are kindly requested to contribute any essential grocery or household items such as rice, dal, edible oil, sugar, biscuits, shampoo, soap, detergents, and other daily-use essentials.

Kindly ensure that the items are packed and submitted **at the School Reception** on or before 24th July.

Your generous support will help us make a meaningful difference in the lives of the elderly. We sincerely appreciate your participation in this noble initiative.

Principal

Ryan International School, Kompally
