RYAN INTERNATIONAL SCHOOL

KOMPALLY

Circular No: Cir/188/26-27 **Date:15/09/2026**

Dear Parents,

Greetings from Ryan International School-Kompally!

As we approach the upcoming Half Yearly Examinations, a structured Revision Plan for all subjects will be followed from 15th September to 28th September 2026.

The revision sessions will focus on revisiting the prescribed syllabus, reinforcing key concepts, addressing learning gaps, and providing students with adequate practice to build confidence and readiness for the examinations.

The detailed subject-wise Revision Plan will be shared with the students and parents for their reference.

We request parents to kindly encourage their wards to:

* Attend school regularly during the revision period.

* Revise the concepts covered in class on a daily basis.

* Complete all assigned practice work and worksheets.

* Clarify their doubts with the respective subject teachers.

* Follow a consistent study routine at home.

We appreciate your continued support and cooperation in helping our learners prepare confidently for their examinations.

Warm Regards,

Principal

Ryan International School-Kompally
