Cir/19/23-24

Date: 18.08.2023

Dear Parents,

Greetings from Ryan International School, Kondapur!

Orange colour combines the energy of red and the happiness of yellow for a warm, confident, fun hue. The colour increases oxygen to the brain, which stimulates mental activity and creativity. Orange can inspire courage, enthusiasm, rejuvenation, and vitality.

To help Children recognize the colour "ORANGE" and encourage their understanding, "ORANGE DAY" will be celebrated on Monday, 21st August, 2023.

21ST AUGUST 2023, ORANGE DAY CELEBRATION	
GRADE	**ACTIVITY**
MONT-I	Using handprint, make a fish by drawing and colouring orange, and stick the eyes of white and black.
MONT-II	Write and learn to draw the letter O making the students link it to an Orange.
MONT-III	*"My favourite Orange Toy":* Children can talk about their favourite orange toy and explain why they love it. They can discuss its features, how it brings them joy and how they play with it. **And** Prepare a carrot using waste coloured paper. (Orange for the carrot and green for the leaves.)

NOTE :

- ➢ All the above competitions will be conducted in the class under the guidance of teacher.
- ➢ Parent may send their ward in Orange Colour Dress along with any orange colour project.

Thanks and Regards,

RIS, KONDAPUR
