

From the Principal's Desk

Leadership: Nurturing the Leaders of Tomorrow

Leadership is a quality that goes beyond authority or power. It is the ability to inspire, guide, and empower others to achieve common goals while fostering a spirit of responsibility, empathy, and teamwork. At Ryan International School, Kondapur, we focus on developing leadership qualities in our students, preparing them to face challenges and contribute positively to society.

True leaders are not born; they are nurtured through experience, encouragement, and guidance. From small responsibilities like being a class monitor to important roles such as Head Boy, Head Girl, or Student Council Member, every leadership position provides students with the opportunity to learn discipline, decision-making, and accountability.

Leadership teaches students to communicate effectively, think critically, and act with compassion. It helps them develop confidence to express their ideas, the courage to face difficulties, and the humility to listen and collaborate with others. Organizing school events, leading assemblies, participating in community service, and managing peer activities are practical ways in which students experience leadership in action.

Moreover, leadership instills a sense of responsibility towards the community and nation. It encourages young minds to understand that their actions have an impact on others and that true leaders serve selflessly for the greater good.

At Ryan International School, we believe that every child has the potential to lead. By providing opportunities, guidance, and continuous support, we aim to empower our students to become future leaders who will inspire positive change in the world.

“Leadership is not about being in charge. It is about taking care of those in your charge.”

Quote of the month

*“Fortitude is the
foundation of courage
and strength.”*

Fortitude: The Value of the Month at Ryan International School, Kondapur for September is Fortitude – the courage and strength to face challenges with determination.

Fortitude helps students stay strong, patient, and persistent when learning new concepts, improving skills, or solving problems. This month, students are encouraged to embrace challenges as opportunities to grow and to keep trying, even when things seem difficult. By developing fortitude, students build confidence, resilience, and a positive attitude toward learning and life.

“Fortitude is the strength to keep going despite difficulties.”

Let’s inspire our children to grow stronger every day!

COORDINATOR'S SPEAK

It has been truly delightful to witness our Montessori children embrace learning with curiosity, creativity, and enthusiasm through a variety of activities over the past weeks. From exploring the wonders of space on ISRO Day to expressing their imagination on Blue Colour Day, our little learners engaged wholeheartedly in every activity.

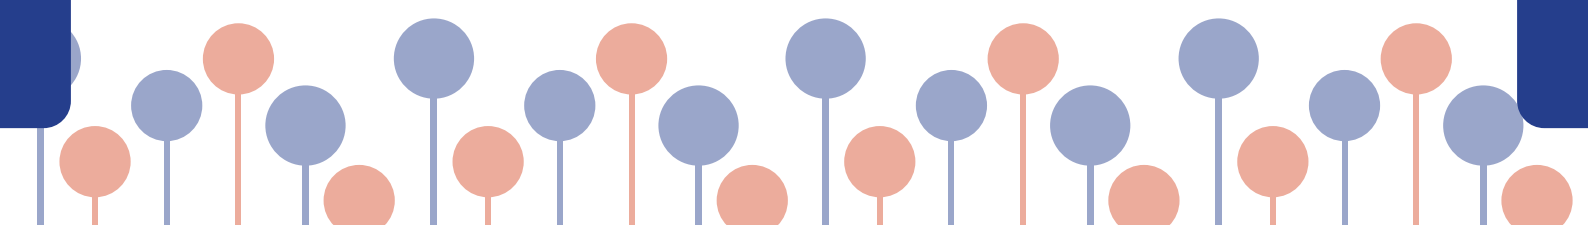

Festive celebrations like Raksha Bandhan and Independence Day provided opportunities for the children to understand traditions, patriotism, and the value of relationships. During Friendship Day, they shared joy, kindness, and thoughtful messages, reinforcing bonds of friendship and empathy.

The Parent Teacher Meeting allowed children to confidently showcase their daily skills and share their knowledge through the Global Visa – India activity, reflecting the holistic approach to education we aim to nurture. Celebrating Chairman Sir's Birthday helped the students connect with his vision of "Each One, Plant One", inspiring them to care for the environment and give back to society.

On National Sports Day, the children actively participated in fun games and spoke about their favorite sports, learning teamwork, discipline, and the joy of physical activity.

Each event has been a step toward nurturing creativity, confidence, social values, and a love for learning. As a Coordinator, it is a privilege to guide these young hearts and minds, witnessing their growth, curiosity, and enthusiasm in every activity. Seeing them explore, express, and celebrate their achievements fills us with immense pride. We are inspired by their innocence, joy and eagerness to learn, and it is truly rewarding to watch them blossom into curious, compassionate, and confident individuals who are ready to embrace challenges, cherish relationships, and contribute positively to the world around them.

Coordinator**

ACTIVITIES

Friendship Day

“Friendship is the golden thread that ties the hearts of people together.”

Ryan International School, Kondapur, celebrated Friendship Day on 4th August with joy, laughter, and togetherness. The day was dedicated to cherishing the bond of friendship and highlighting the importance of kindness, trust, and mutual respect among students.

To mark the occasion, the little Montessori learners enthusiastically made and shared colorful friendship bands with their classmates, spreading smiles and affection.

These activities not only showcased creativity and confidence but also encouraged students to understand the deeper meaning of friendship, standing by each other in both happiness and challenges.

The celebration concluded with happy faces and stronger bonds of love, warmth, and companionship among students.

Rakshabandhan Activities

“With tiny hands and joyful hearts, our Montessori Champs celebrated Raksha Bandhan - the festival of love and protection on **7th August** with enthusiasm and festive spirit.”

The festival holds great significance as it symbolizes the bond of love, care, and protection between brothers and sisters. To mark the occasion, our young learners participated in a **Rakhi Making Competition**, where they designed colorful and creative rakhis for their friends and siblings.

ACTIVITIES

Through this activity, children not only showcased their creativity but also imbibed the values of affection, togetherness, and the importance of standing by and caring for one another.

The celebration was a delightful blend of tradition and joy, filling the atmosphere with smiles, creativity, and the warmth of togetherness.

Independence Day Activities & Celebrations

“With tricolour kites soaring high and tiny voices filled with pride, our young Ryanites celebrated Independence Day with joy, innocence, and patriotic spirit.”

The celebrations began on **14th August** with students making vibrant **Tiranga kites**, each one symbolizing freedom, unity, and the soaring dreams of young India.

The grand celebration continued on **15th August** with an exclusive show by our Montessori, Grade I & II students. The morning assembly was filled with charm as the little ones of **Montessori III** presented a lively **toy band performance**.

A special highlight was the inspiring act of **Rani Lakshmi Bai** by a Montessori III student, which received heartfelt applause.

The innocence, energy, and enthusiasm of our youngest learners made the day truly memorable, leaving everyone with smiles and a renewed sense of patriotism.

ACTIVITIES

ISRO Day Activities

Our **young space enthusiasts** celebrated **ISRO Day** with great excitement on 23rd August. To spark curiosity about space and India's proud achievements, we organized a special **Show and Tell Activity** where children brought space-related toys, models, and pictures to share with their friends.

The students eagerly showcased their items and spoke a few words about them. The activity not only helped them build confidence in speaking but also ignited their imagination about the wonders of space, beautiful Moon and the Stars.

It was a delightful experience watching our tiny tots take their first steps into the world of science and discovery, proudly sharing and learning from one another.

Parent Teacher Meeting

The Parent Teacher Meeting conducted on 23rd August was a delightful occasion that brought parents, teachers, and students together to celebrate learning in action. The classrooms were filled with excitement as parents were warmly welcomed to watch their children perform the **daily activities** they have been practicing with dedication. From practical life exercises and sensorial activities to language and number work, the little ones confidently demonstrated their skills, leaving their parents truly proud and happy.

The most awaited part of the day was the **Global Visa - India Activity by MONT III students**, a special presentation where students showcased their knowledge about the different aspects of our country. Speaking with clarity and confidence, the children shared what they had learned about India's culture, traditions, festivals, landmarks, and values. Their enthusiasm and expressive performances reflected not only their learning but also their growing confidence in public speaking.

ACTIVITIES

Parents were deeply appreciative of the effort and were thrilled to see how the theme had been integrated into their children's learning journey. The activity provided them with an opportunity to witness the progress of their wards, the creativity of the curriculum, and the commitment of the teachers in nurturing holistic development.

The PTM truly strengthened the partnership between parents and the school, fostering a shared vision of guiding children towards curiosity, confidence, and cultural pride. It was indeed a day filled with joy, pride, and meaningful connections.

Beautiful Blue Activity

To make learning colours fun and memorable, our Montessori children celebrated **Blue Colour Day** with great excitement. The classrooms looked vibrant as the little ones walked and dressed in different shades of blue, reminding us of the vast sky and deep sea.

The day was filled with engaging hands-on activities – from **paper tearing and sticking on an umbrella and a whale, to colouring a balloon, a pencil, and raindrops in blue, and even finger printing a fluffy cloud**. Each activity sparked creativity while strengthening their fine motor skills.

Adding a touch of imagination, the children also spoke about their **favourite sea animals**, sharing their ideas with joy and confidence.

The celebration not only reinforced the concept of the colour blue but also created a cheerful environment where learning became playful and interactive. It was truly a day of smiles, creativity, and discovery!

ACTIVITIES

Founders' Day

The birthday of our respected **Chairman Sir** was celebrated with great joy and enthusiasm across the school. To mark this special occasion, students actively took part in a **Best Birthday Message Competition**, where they expressed their heartfelt wishes and gratitude through creative poems, cards, and messages. The celebration reflected the love, respect, and admiration the students hold for Chairman Sir.

The event was also an opportunity to reflect upon and reinforce **Chairman Sir's noble vision**. His dream is to foster **all-round development through a holistic approach** that nurtures knowledge, attitude, skills, and strong social and moral values in every child. The students proudly embraced his guiding philosophy and pledged to uphold these ideals in their journey of learning and growth.

The highlight of the day was revisiting Chairman Sir's inspiring mission of **"Each One, Plant One"**, a call to action that motivates every individual to take responsibility for protecting and preserving our Mother Earth. Through this simple yet powerful message, Chairman Sir has instilled in us the spirit of giving back to society and caring for the environment.

The birthday celebration was not just an expression of joy but also a reminder to walk in the footsteps of Chairman Sir's vision, to learn, grow, give back, and make the world a greener, better place.

ACTIVITIES

National Sports Day

Tiny feet ran, little hands cheered, and happy smiles lit up the playground as our Montessori children celebrated **National Sports Day on 29th August 2025** with boundless energy and joy.

The day was packed with **fun games and activities** that not only promoted physical fitness but also taught the importance of teamwork and sharing. As part of the **“My Favorite Sport” activity**, children confidently spoke about the games they love the most and even brought along **sports-related items** like balls, bats and other sport items to proudly show their friends.

The celebration was a perfect blend of fun, fitness, and learning, reminding us all that sports build not just strong bodies but also strong values of discipline, confidence, and friendship.

Upcoming Events

- Teachers Day
- National Nutrition Week
- Orange Day
