Leadership: Nurturing the Leaders of Tomorrow

Leadership is a quality that goes beyond authority or power. It is the ability to inspire, guide, and empower others to achieve common goals while fostering a spirit of responsibility, empathy, and teamwork. At Ryan International School, Kondapur, we focus on developing leadership qualities in our students, preparing them to face challenges and contribute positively to society.

True leaders are not born; they are nurtured through experience, encouragement, and guidance. From small responsibilities like being a class monitor to important roles such as Head Boy, Head Girl, or Student Council Member, every leadership position provides students with the opportunity to learn discipline, decision-making, and accountability.

Leadership teaches students to communicate effectively, think critically, and act with compassion. It helps them develop confidence to express their ideas, the courage to face difficulties, and the humility to listen and collaborate with others. Organizing school events, leading assemblies, participating in community service, and managing peer activities are practical ways in which students experience leadership in action.

Moreover, leadership instills a sense of responsibility towards the community and nation. It encourages young minds to understand that their actions have an impact on others and that true leaders serve selflessly for the greater good.

At Ryan International School, we believe that every child has the potential to lead. By providing opportunities, guidance, and continuous support, we aim to empower our students to become future leaders who will inspire positive change in the world.

“True leadership lies in guiding others to success — in ensuring that everyone is performing at their best.” – *Bill Owens*

Quote of the month

“Fortitude is the foundation of courage and strength.”

Fortitude: The Value of the Month at Ryan International School, Kondapur for September is Fortitude – the courage and strength to face challenges with determination.

Fortitude helps students stay strong, patient, and persistent when learning new concepts, improving skills, or solving problems. This month, students are encouraged to embrace challenges as opportunities to grow and to keep trying, even when things seem difficult.

By developing fortitude, students build confidence, resilience, and a positive attitude toward learning and life.

“Fortitude is the strength to keep going despite difficulties.”

Let’s inspire our children to grow stronger every day!

Activities

Friendship Day

Celebrating Friendship Day - The Joy of Togetherness.

Friendship Day was celebrated with great enthusiasm at Ryan International School, Kondapur, reminding students of the joy and value of true friendship. This celebration gave children an opportunity to express love, gratitude, and creativity towards their friends.

Students from Grade I & II participated in a delightful Friendship Band Making Activity, where they crafted colorful bands using wool, beads, and stickers. This activity fostered creativity, fine motor skills, and the spirit of giving among young learners.

For Grades III to V, an engaging Extempore Competition on the theme "What Makes a True Friend?" encouraged students to express their thoughts spontaneously and confidently. Their heartfelt words reflected the innocence, honesty, and warmth of real friendship.

Students from Grades VI to VIII showcased their reflective writing skills in an Essay Writing Competition on the topic "Best friends make the good times better and the hard times easier." Their essays beautifully captured the essence of companionship, loyalty, and emotional support in friendships.

The day was filled with laughter, creativity, and heartfelt expressions — reinforcing the message that true friends are life's greatest treasures.

Rakshabandhan Activities

Rakhi Making Activity - Celebrating the Bond of Love

Activities

Ryan International School, Kondapur, celebrated the joyous festival of Raksha Bandhan with enthusiasm through a Rakhi Making Activity and Competition across Grades I to VIII.

Students of Grade I & II participated in the activity on the theme “Rakhi - A Pious Symbol of Love between Brother and Sister”, beautifully expressing their affection through colorful and creative designs.

Grades III to V showcased their imagination by crafting unique rakhis with vibrant threads, beads, and eco-friendly materials. For Grade VI and VII, a Rakhi Making Competition was organized where students exhibited artistic excellence and innovation. The use of natural and recyclable materials reflected their commitment to sustainability and creativity.

The activity not only nurtured students' artistic skills but also reinforced the values of love, care, and togetherness that Raksha Bandhan signifies.

Independence Day Activities

Celebrating the Spirit of Freedom - Independence Day Competitions.

As part of the Independence Day celebrations, Ryan International School, Kondapur, organized a series of Speaking, Writing, Drawing, and Craft Competitions across all grades to instill patriotism and creativity among students.

Students from Grade I & II showcased their talent and confidence through a Role Play Competition on Freedom Fighters, bringing to life the inspiring stories of India's heroes. They also created Flag-themed Bookmarks, reflecting their love and respect for the nation.

Activities

Students from Grades III to V filled the campus with patriotic fervor through the Patriotic Song and Dance Competitions, celebrating India's cultural pride and unity. They also expressed their thoughts in the Essay Writing Competition on topics such as "What Freedom Means to Me" and "Role of Youth in Nation Building", highlighting their understanding of responsibility and national pride.

The celebrations continued with Grades VI to VIII presenting a House-wise Patriotic Singing Competition, where each house performed soul-stirring renditions that echoed the spirit of independence and unity.

The competitions not only showcased the students' creativity and talent but also deepened their sense of patriotism and appreciation for the sacrifices made by India's freedom fighters.

Independence Day Celebrations

Ryan International School, Kondapur, celebrated the 79th Independence Day with great patriotic fervor on 15th August 2025. The event was graced by the Honourable Chief Guest, Mr. Laxma Reddy, Inspector of Police, Women & Child Safety Wing. The Principal, staff, students, and parents gathered to honour India's freedom and celebrate the values of unity, discipline, and responsibility.

The celebration began with the flag hoisting and National Pledge, followed by the release of the school mascot symbolizing unity and patriotism. A disciplined March Past by students from all four houses showcased teamwork and pride. The young Toy Band added rhythm and energy to the event.

A special Sapling Plantation Ceremony by the Chief Guest emphasized environmental responsibility.

Activities

The cultural program in the MPH included prayers, inspiring speeches, and vibrant student performances such as:

- Patriotic dances by various grades
- Choir medley of patriotic songs
- Patriotic poem recitation
- Mono-acting and role plays depicting patriotism

The Chief Guest's address motivated students to be responsible and disciplined citizens, contributing to a strong and safe India.

The event concluded with a heartfelt Vote of Thanks and the Ryan Anthem, leaving everyone inspired and proud.

ISRO Day Activities

Celebrating ISRO – India's Pride in Space Exploration .

Ryan International School, Kondapur, organized a series of engaging competitions across Grades I to VIII to celebrate India's remarkable achievements in space research and to honor the contributions of ISRO scientists.

Students of Grade I and II participated enthusiastically in an Elocution Competition, confidently speaking about their favorite ISRO missions and scientists, showcasing their admiration and curiosity for India's space endeavors.

Grades III to V brought history to life through a Role Play Competition, where students portrayed eminent ISRO scientists and their groundbreaking contributions to space research. Their performances reflected both creativity and respect for the nation's scientific community.

For Grades VI to VIII, an Essay Writing

Activities

Competition on the theme “The Story of ISRO – Pride of India” provided students an opportunity to express their understanding of ISRO’s inspiring journey—from humble beginnings to landmark missions like Chandrayaan and Mangalyaan.

The series of activities not only enhanced scientific awareness but also instilled a deep sense of pride and patriotism among the young learners.

Parent Teacher Meeting

Parent Teacher Meeting – Building Stronger Partnerships.

Ryan International School, Kondapur, conducted a Parent Teacher Meeting (PTM) to strengthen the partnership between teachers and parents in the holistic development of students. The PTM provided an important platform for open communication and collaboration, helping parents understand their child’s academic progress, strengths, and areas needing improvement.

During the meeting, class teachers shared detailed feedback on students’ academic performance, behavior, attendance, and overall development. Individual discussions allowed parents to gain insights into their child’s learning habits and participation in school activities. Teachers provided constructive suggestions and remedial strategies for students requiring additional support, focusing on personalized learning goals.

Showcase Activities for Grades I to VII:

Students engaged enthusiastically in Showcase activities such as:

Music (Vocal & Instrumental), Speech and Drama, Coding, Revival of Lost Arts, Innovation Lab Projects, Dance, Structured Physical Education Sessions.

Activities

E-Waste Collection Drive and Book fair stalls have been organized on the PTM day. Parents actively participated in discussions, shared valuable feedback, and expressed their appreciation for the school's dedication to shaping each child's future.

The PTM was a resounding success, reinforcing the school-parent collaboration and ensuring that every child receives the right guidance, care, and encouragement to excel academically and personally.

Founders' Day Activity

Honoring Our Visionary Leader - Chairman Sir's Birthday Celebrations.

Ryan International School, Kondapur joyfully celebrated the birthday of our respected **Chairman Sir, Dr. A. F. Pinto**, with heartfelt activities that reflected his values, vision, and inspiring leadership.

Students of **Grade I & II** expressed their love and gratitude through a **Card-Making Activity**, crafting beautifully designed personalized birthday cards filled with warm wishes and creativity.

Grades III to V participated in a **Values and Legacy Presentation Competition**, where students spoke about Chairman Sir's inspiring journey, his contributions to education, and his vision of holistic development. Their thoughtful presentations showcased how his values continue to shape young minds and positively impact society.

Students of **Grades VI and VII** took part in a **Speech Competition** on themes such as *"The Vision of Our Founders"* and *"The Impact of Our Institution on Society."* Their eloquent speeches reflected a deep understanding of the principles that guide Ryan Institutions and their pride in being part of this legacy. The celebrations not only honored our beloved Chairman Sir but also inspired

Activities

students to embody his values of faith, excellence, and service to society.

National Sports Day Activity

Celebrating Sportsmanship and Inspiration – Sports-themed Activities.

Ryan International School, Kondapur organized an exciting and energetic week focusing on sports, fitness, and teamwork, with a special interactive session with a renowned sports personality as a key highlight. This session inspired students to stay active and dream big!

Alongside, students participated in various fun and creative competitions:

Ryan International School, Kondapur celebrated the spirit of sports through a series of engaging and inspiring activities designed to promote teamwork, determination, and a love for physical fitness among students.

Students of Grade I & II participated in Sports-themed Presentations, where they enthusiastically spoke about their favorite sports and athletes. They highlighted their achievements, dedication, and the valuable life lessons learned through sportsmanship. Grades III to V brought the field alive with a Role Play Competition, where students confidently portrayed their favorite sports players and explained the significance of their respective games. Their creative performances reflected admiration for their sports idols and an understanding of discipline and perseverance in sports.

Students of Grades VI to VIII showcased their writing talents through an Essay Writing Competition on the topic “India’s Glory in Olympics and Commonwealth Games.” Their essays celebrated India’s sporting heroes, chronicled the nation’s proud achievements

Activities

on the global stage, and emphasized the importance of sports in nation-building.

The activities not only encouraged students to appreciate the value of sports but also inspired them to embody the true spirit of teamwork, resilience, and excellence — the hallmarks of every great athlete.

Vocational Activities

The three key skill-enhancing programs—Coding, French, and Speech & Drama—which have contributed significantly to our students' holistic development.

- **Coding - Enhancing Logical Thinking & Problem-Solving**

Students from various grades engaged in hands-on coding sessions, learning block coding, Python, and web development. Through interactive challenges, they developed computational thinking, creativity, and problem-solving skills, preparing them for a tech-driven future.

- **French - Expanding Global Perspectives**

Our French language program enabled students to develop reading, writing, speaking, and comprehension skills. Engaging activities like role plays, cultural projects, and interactive language games helped build fluency and appreciation for global cultures.

- **Speech & Drama - Building Confidence & Expression**

Through theatrical performances, public speaking exercises, and storytelling, students honed their communication skills, stage presence, and emotional expression. This program played a crucial role in boosting their confidence, creativity, and articulation.

Passion Building

The Passion Building Activities that have enriched our students' learning experiences. Through hands-on engagement, these initiatives have fostered creativity, sustainability, and essential life skills.

Home Science – Building Essential Life Skills

To promote self-sufficiency and practical knowledge, students engaged in basic cooking, sewing, and budgeting exercises. These sessions encouraged healthy living, financial literacy, and everyday problem-solving skills.

Eco-Gardening – Nurturing Green Habits

Students actively participated in maintaining our school's green spaces by planting and caring for herbs, vegetables, and flowering plants. This initiative instilled environmental consciousness and responsibility, reinforcing our commitment to sustainable living.

Revival of Lost Arts – Preserving Cultural Heritage

As part of our co-curricular initiatives, students are being introduced to the revival of lost arts, where they explore traditional crafts, Kalamkari paintings, and other age-old creative practices that are gradually fading away.

Through these sessions, students not only acquire artistic skills but also develop a deeper appreciation for India's cultural legacy. The initiative inspires them to respect traditions, express creativity meaningfully, and carry forward the timeless essence of our heritage into the modern world.

Star of The Week

The "Star of The Week" initiative at Ryan International School Kondapur, celebrates exceptional student achievements and provides opportunity to every student to feel important and significant in the class. Each week, outstanding performances earn well-deserved recognition from peers and teachers, fostering a supportive and encouraging environment. The parents are called on every Friday to witness the spirit of camaraderie and motivation as this heart-warming program inspires our young leaders in the making, to shine brightly, as we embrace the power of encouragement, shaping a community of success!

PARENT'S CORNER

We as parents are really happy that our kids are part of Ryan International School.

The most important thing is that the curriculum is very good and the foundation for kids is really appreciable. They also have a good online app maintenance which helps kids to cover the entire syllabus resulting in good scores.

The school has been successful in striking an appropriate balance with Academic and Co-Curricular activities.

Children are encouraged to learn extracurricular activities like music, singing, dancing which makes them grow into confident individuals.

They're so disciplined and well nurtured by the teachers of Ryan International School.I Joined my Grade I child.

**- Ms. N Jaya Josephine,
Parent of King Solomon Naralasetty - Grade I**

"I truly appreciate the school's teaching methods and the welcoming atmosphere, which is why I chose to enroll my child here. The school offers outstanding professional development opportunities, ensuring teachers are well-equipped to apply the latest educational practices.

In addition, the strong administrative support and abundant resources play a key role in effective classroom management and daily teaching. Through a variety of innovative programs and initiatives, the school has achieved remarkable progress in student performance. Its balanced emphasis on both academic excellence and personal growth helps every student reach their fullest potential."

**- Ms. Padma,
Library Teacher**
