Dear Parents,

Greetings from RIAH!

We would like to take this opportunity to express our gratitude towards the overwhelming response received from you for making Coffee with Senior Citizen a grand success. We received over 150 videos! We are sure ,you enjoyed capturing the special moments as much as we enjoyed watching them. We have been smiling ear to ear since then !

The sole purpose of holding this event was to thank our elders for all that they done for us. They toiled day and night to make us reach where we stand today. We hope we were able to create joyful moments for you and your senior family members. It was our little way of saying thank you to them.

A special mention for our little ones ,who connected with their grandparents online.

May God bless our elders with good health and happiness. May we continue to fly high under their guidance and support.

Best Regards

Sonika Kochhar Girotra

Principal
