RIAS/Circular no.66/2023-24

Date: 21-9-23

Dear Parents,

Greetings from RIAS!

Safety of the students is the top most priority for us. We ensure school safety by creating a safe environment for children, starting from their homes to their schools and back. This includes safety from any kind of abuse, violence, bullying, physical safety, psycho-social issues, fire and transportation. This survey addresses parent's perceptions and attitudes towards school safety and help us improve. This is done to collect the gaps in HSCP areas of the school which will also go as an analytical study in a thesis paper. Kindly find below, the link for Health and Safety survey.
