REOPENING OF SCHOOLS AFTER VACATION

Date -30.06.2020

He will cover you with His feathers, and under His wings you will find refuge; His faithfulness will be your shield and rampart. (Psalm 91: 4)

Dear Parents,
Greetings from the Ryan Family!

We hope that all of you and our dear children are safe and healthy at home. We pray that our Lord Jesus Christ continues to protect you and bless you during this challenging time. Even as we continue to pray for our frontline Covid-19 warriors and their families and for all the concerned authorities handling the crisis, let us embrace the new normal, as a Ryanite who never quits, is always a winner. At Ryan, we will continue with the Ryan E-Learning Programme with greater commitment till we open up the physical premises when permitted by the civil authorities. The details of the reopening will be communicated as soon as we receive the updates from the government.

The RYAN Group of Schools has designed an E-learning Programme that meets the requirement of the learners as well as provides support to parents to keep the students involved in learning while at home. The E-learning programme that will commence from **6th July, 2020** comprises of blended learning sessions that includes both Synchronous and Asynchronous learning. Detailed timetable will be uploaded class-wise on the parent portal.

While the use of PCs / Laptops is recommended for a best viewing experience, students can access the online content through tabs or a smartphone given that these devices have the recommended browser and internet speeds.

We wish to inform you that our staff has worked incessantly to ensure the quality of lessons. We would appreciate wholehearted participation by our children to achieve effective outcomes.

We thank you for your cooperation this far and look forward to your support to make this new journey a successful one for our students and for all of us. Stay home, stay safe and let the learning continue!
