- **TEACHING LEARNING at Ryan on a Virtual Platform**

The Ryan **School OS**, is an online E-learning portal exclusively created for the students and teachers of the Ryan Group of Institutions. A blend of all online pedagogical tools is optimally utilized to ensure meaningful teaching-learning. This portal also has the unique feature of providing a 24X7 library and videos for the students, along with activities such as Polling, YouTube inclusive and Toppr videos. Students can submit their assignments in well defined slots on the portal itself, while the teacher check these assignments along with writing the remarks.

● **COMPETITIONS and EXTRA-CURRICULAR ACTIVITIES**

Ryan International School has conducted several competitions and extra curricular activities with the school and the students bagging various achievements in almost all the activities in which it participated.
